LAMERTON

The "Hard Times" dinner given in Lamerton Hall on Friday evening, 12th inst., by the local ladies, was one of the most enjoyable given this winter. If the dream of the discoverer of the hard times in Lamerton, what may we not expect when the "better days" incident to the coming of the new rainfall will have dawned upon us. As actual hard times were given the same night in neighboring town, one may be sure that the dinner must be made up in 15 minutes that was lacking in numbers. Supper was decided by the ladies and was most satisfactory. Wherever friends were paid the sum of 25 was realized.

The Temperance and Moral Reform League will hold a meeting in the church on Monday, 14th inst. "No-liquor" welcome.

At entertainment and "side school" will be given in the Ellis school, northwest of Lamerton, on Friday evening, 12th inst. A local program will be rendered. Promote to the end in purchasing an organ for school.

A terrace meeting of the Lamerton school board will be held on Monday, 15th inst. Letter for a new road house is now on the school grounds and the outlook for new school to be built during the summer is most encouraging.

The Lamerton Mercantile Co., Ltd. have just opened up a large assortment of new goods. The values this month are among the best. The company is holding for real and cash is paid for the farmer's produce. Give the house a new another change before the mail arrives.

Mr. and Mrs. L. M. Story held a sale of household and farming effects. Mrs. M. R. Hunter vice manager, and several other ladies brought a great price. Mr. and Mrs. Story are spending a few days with friends in the neighborhood of Lamerton before leaving for Chesterfield, Alta. where they will visit Mr. Peter Cooper and family.

Rev. J. C. Anderson, of Alix, will occupy the pulpit of the Methodist church here Sunday evening next, 21st inst. At the close of the service the sacrament of the Lord's Supper will be administered.

We regret that Mr. R. R. Cairns has been obliged to go to the hospital at Calgary for medical treatment.

Miss Hand Hays has recently been engaged at the Grand View Hotel.

Mr. Joe Baker is on the sick list.

A "Smoker" was given at the hotel in Lamerton, 13th inst. A pleasant evening was spent discussing political questions.

Miss Winnie Elgar, who has been visiting her sister and other friends at Hunter House, Nanton, returned Friday, 12th inst.

Mr. G. H. Williams went to Edmonton on Monday.

ERSKINE

Mr. and Mrs. Shular of Alix visited in Erskine last week at the home of Mr. E. and V. Shular.

Mrs. D. Henderson, who has been in Lamerton for about two months, passed through Erskine Thursday, enroute to her home at Big Valley.

Mr. and Mrs. Shular, of Erskine, were in town on Thursday.

The little three-year-old son of Mr. Henderson had the misfortune to break his leg by a fall from a hay stack.

Mr. J. Laid drove over from Alix on Thursday and is now visiting at the home of Mr. Jordan.

Mr. and Mrs. J. J. J. of Canby, returned to Calgary.

spent Friday with Mr. and Mrs. H. Taylor.

Mr. C. Langman, after spending a week at his home in the "Shimshu" is again shaking hands with Erskine friends.

An enjoyable evening was spent at the last meeting of the Literary Society. It being noted that the program was entirely new and being decided to give, etc., etc., of which reference was made. Wednesday, 12th, deferred until night.

Lamerton Short Course

The short course in agriculture held in Lamerton last week by the Department of Agriculture was a most successful affair. The attendance was good, farmers from the district taking a keen interest in the program and the results of the day's work. The evening session was held at the residence of Mr. J. C. Giddens, of Mayville, and was well attended.

The interest and enthusiasm shown by the students was a credit to the course. The program was well planned and the results of the day's work were most satisfactory.

DARING CAPTURE BY N. W. K. POLICE

Five Alleged Steals Thieves Bounded Up by Serge. Whitlock and Two

One of the most daring captures in the history of the N. W. K. P. was on Saturday night of just such thrilling events, was made on Friday last in the arrest of a bunch of alleged house and outfit thieves named Steadler. The men, who presented a varied appearance and were more or less slovenly in their attire, were brought to the city on Saturday afternoon and are now at the N. W. K. P. barracks awaiting a preliminary hearing.

The capture was made by Sergeant Detective Nicholson, Corporal Egan, of Steadler, and Constable McKenzie, of Alix, and the three were taken to the station where in their carelessness another band to the rescue of the three men, who were the force here already made.

The names of the men under arrest are: Alex Steadler, Louis Steadler, Joe Halls, Irving Halls, and Joe Cardinal. For some weeks they have been pursued by the police and it was only after a ride across country of nearly 100 miles that they were overtaken near Steadler.

The men had ridden up to a shack where they intended to stay for the night. They were armed with two Winchester repeating rifles and two Colts revolvers, but unexpectantly they left their firearms at the shack when they proceeded to the stable to get their horses away for the night. What was their surprise and chagrin as the men entered to be confronted by the forms of Sgt. Nicholson and the other two men heavily armed with revolvers. "Hands up" was the order and the prisoners saw that there was nothing to do but surrender, for resistance was useless under the circumstances.

They were handcuffed together and taken to Lacombe and thence to Edmonton, where they will be given the preliminary hearing on a number of charges. This morning Sergeant Nicholson and Corporal Egan returned to the scene of the capture and expect to round up what they think is the remainder of the gang.

It was Sergeant Detective Nicholson and Corporal Egan that captured a notorious house thief and after pursuit from Lacombe went to Rocky Mountain House. Their latest feat is another proof of the police in this world—Edmonton Bulletin.

According to latest data it appears that all the officers were in plain clothes, and that Constable McKenzie was the only officer riding a police horse, the rest being on foot. The men were taken to the station on the night of the capture and taken to the station of the N. W. K. P. where they are now being held.

LAMERTON

The baseball team given in the Lamerton Fair Friday night was a very successful one. Good floor, good music, an excellent band and a very complete bill contributed to the evening's enjoyment and remarks such as "this has been one of my best" and "we've had such a good time," were heard as the money dropped to the merry bones of the morning.

The baseball team will meet for a practice game on Saturday, April 10th.

W. W. Scott, of Jarvis Bay, went to Alix on Saturday last.

Warm weather is evidently here to stay. A great many wild geese have been seen going north the past week, and on Saturday morning some were seen in the sunshine along the creek bank near the general store.

Mr. Palleyback went to Valley City on Friday last and returned Saturday.

Mr. and Mrs. J. C. Simpson and family spent Sunday with Mr. and Mrs. Shipley.

Chas. Johnson gave a dance at his home on Friday, April 7th.

F. Dawson returned from Watkinsville on Friday last.

Mr. Halliday, of Wetaskiwin, was in town on Friday last and took in the baseball club game on Sunday evening.

E. O. Phelps, returned from Ponoka on Friday.

Messrs. Hutchinson and Sibbald came from Alix on Friday night and took in the dance given in the A.R.C.

Thomas Swanson intends building a brick house during the summer. Bricks will be manufactured by Owen Cook.

John Ahlstrom has lately been purchasing furniture for his home. Young ladies, get busy.

Miss Maunie Carr intends visiting relatives in Dakota in the near future.

A. H. MacDonald, of Jarvis Bay, spent Saturday in Lamerton.

Richard will spend on Thursday, April 9th, for Easter holidays.

E. P. Burgess and Mr. Erickson made a trip to Alix this week.

F. Dawson, contractor, was busy playing hammer and saw as the ground shows on Saturday last.

J. A. Phelley, of Trailhead, B.C. county inspector, was in town on Thursday last. We understood that he reported the local hotel to be one of the best conducted in the province.

LAMERTON

April 10, 1920.
The concert given by the Lamerton school under the leadership of Miss Lodge, in the church, Tuesday, April 6th, was a very successful one in spite of the bad weather. The church was beautifully decorated with hanging and evergreens. Rev. J. C. Anderson, of Alix, officiated at the service of chairman. The entertainment menu opened with a patriotic chorus—"The Red, White and Blue," by the school, a humorous dialogue, entitled "The Censor Taker," was one of the best. Songs were given. Miss Murphy sang, "This was no Sheep," and the quartette "Whistling 'Em." By Miss Sharp, L. Harty sang the Emerson Hymn, were much appreciated, as well as the "Cocoanut Song" given by Clyde Fittman. Miss Shipley's reading, "The Story off the Star," and Miss Wain's song, "April." In recitations, songs and plays the children acquitted themselves very creditably.

The last part of the program was as follows:—A pantomime and tableaux representing the Christmas.

Scene I.—Preparation of the sisters for the Prince's ball.
Scene II.—Chadelaine and her grandmother with the magic wand.
Scene III.—Chadelaine dressed for the ball.

Scene IV.—The trying on of the new slipper.
Scene V.—The trial of Chadelaine and the Prince.

After the "Goodnight Song," given by the school, a bountiful lunch was served. Proceeds of the entertainment amounted to \$11.15.

Protect the Feathered Friends

We want the following paragraph from an old country paper—"Fugate of Field Horn."—Certain parts of Lacombe are at present suffering from a plague of voles, or field-skins, which have effected much havoc among vegetation. Many young trees in plantations have been destroyed, and various kinds of forest plants have suffered considerably. The last autumn visitors were about seventy years ago when great damage was done on the farms in the south of Scotland, and a Royal Commission was appointed to investigate the matter. It is believed that the main reason lies in the fact that the balance of nature has been upset by the destruction of owls, hawks, weasels and stoats, which are the natural enemies of the stoats."

Do you know how much the farmers of Alberta lose every year in dollars and cents through the destructive habits of insects? It has been shown conclusively by the Audubon society (of the United States) that the birds of that country lose annually \$800,000,000. The figures compiled by them are absolutely reliable, and will amply repay your careful study of—

Kind of Bird	Amount of Loss
Canada Goose	\$200,000,000
Hay	\$100,000,000
Ostrich	\$100,000,000
Goose	\$100,000,000
Trout	\$100,000,000
Deer	\$100,000,000
Pheasant	\$100,000,000
Partridge	\$100,000,000
Antelope	\$100,000,000

\$800,000,000

As there is no question of your concern in the general agricultural condition of the country year by year, so there is no denying that your material welfare is also affected by the preservation of the feathered friends of the field, for if crops diminish, in a measure, the country's prosperity, then every man and woman is interested in helping to make good good—and helping hand in the Fish and Game Protective Association of Alberta, with this object in view, to protect the birds that kill the insects that destroy the crops.

When the loss in trees comes from insects in the States amounts to \$100,000,000 annually, we are not readily tempted by the loss to the Alberta farmers must be. The subject of protecting the birds that feed on the destroying insects can scarcely be over-stressed. The protection of the birds is looking before the people

of Alberta today of a more thoroughly practical sense than their old-time subject of bird protection. The grouse-hopper has proven a pest in different seasons and it is a well-known fact that the grouse-hopper practically lives on these insects during the summer that they are most prolific, so that it is the cause of every farmer to be so far as possible forest and grouse-hopper birds.

The grouse-hopper and moths are apt to be kept up all productive work of this character on the effect of land forests or meadow-lands, and to look on the meadow-lands and meadows as a source of profit for the farmer, as well as a good deal of food, in their appetite to the public for export.

It is not a question of having either birds or the grouse-hopper, but it is a question of protecting the birds which is a potent factor in feeding our land of the birds, because they carry their own food, in our gardens, and we hope to be in our orchards.

A word to the birds. The thoughtless boy who kills the robin with his slingshot is strongly deserving of censure, as the robin is one of the birds that are fighting the grouse-hopper, which are enemies of your wheat, plants and crops. The birds are not the only destroyers of your wheat, plants and crops. The birds are the birds of the feathered tribe, which are fighting the grouse-hopper, which are enemies of your wheat, plants and crops. The birds are not the only destroyers of your wheat, plants and crops. The birds are the birds of the feathered tribe, which are fighting the grouse-hopper, which are enemies of your wheat, plants and crops.

Edmonton, Alta., April 7.—It has been decided that Edmonton will apply to Carnegie for \$75,000 for a public library.

LAMERTON

Mr. Pollockbank spent Easter holidays in the vicinity of Lamerton.

Lake Road School is closed this week on account of the illness of Mr. Sharp.

Heavy loads of new machinery have been hauled from Alix almost every day this week.

Kester holidays have been lengthened on account of the illness of Miss Lodge with grippe.

On Easter Monday, returning from a holiday trip to Innisfail, Miss Hyslop paid a visit to Mr. and Mrs. E. W. Williams.

The little son of Mr. and Mrs. F. Russell has been seriously ill the past week with bronchitis. Mr. Graham, of Alix, is attending him.

Mr. H. A. Phelps and Rick, an Indian, who are working on Mr. Turnbull's house near Alix, spent Sunday with friends in the vicinity of Lamerton.

On account of the bad weather on Saturday, April 10, the baseball boys were far in number at a baseball, as were not able to practice very satisfactorily. We hope for a better attendance at the next game.

On Easter Sunday the services in the Methodist church were conducted by Rev. A. Fleming. The special music prepared by the choir and the Sunday school children was well rendered and much appreciated.

Luther Sharp is very ill with pneumonia and fever. Dr. Graham, of Alix, has been attending him since Monday last, and today (Thursday) Dr. Hyatt, of Lacombe, and a trained nurse from Calgary were phoned for a well.

A. B. Rugg, cattle and hog buyer, is in town this week. A good many cattle and hogs have been driven through Lamerton the past few days enroute to Alix and Tons for shipment. We look forward with interest to the not far distant future, when the business will be done from our stockyards, at Lamerton Station.

TEES

Mr. and Mrs. J. G. Pratt visited Lacombe on Tuesday.

Mrs. Neilson, of Alix, is attending at the boarding house here and attending the invalids.

Mr. Montgomery, ex. has been very sick during the past week or more.

B. Puffer was in town last Friday buying prime cattle, which were shipped from here on Saturday.

T. W. Fry, the real estate agent, is interested in cattle raising at the present time, having a number of healthy looking chickens three weeks old.

J. W. E. Martin returned on Wednesday from Stettler, where he was for a few days attending to business.

Miss V. E. Fry is attending her sister with the postoffice and telephone, having been sworn in as an assistant.

The mail carrier from Kerlville was in town on Tuesday with the mail, which now comes in from Tons instead of Ponoka.

The newly married couple, Mr. and Mrs. E. Hawley, left Tons for Stettler on Thursday afternoon, April 15th.

BASKIN

G. C. Beggins and daughter Bertha visited Ponoka on Wednesday.

Mr. McQueen and family have

left for Muskogee to make their future home. We are sorry to have Mr. McQueen leave us.

Mrs. C. B. Morton has returned from her trip to the States. Mrs. Morton reports her son, Mr. Gaspard, improved in health.

Mr. and Mrs. Geo. Moore are the happy parents of a baby girl, born on Wednesday, the 14th.

Messrs. Nix and Brown were Calgary visitors this week.

Miss Dolly Wagner is stopping at the home of Mr. and Mrs. Houghton.

Miss J. M. Kelly spent Easter at her home in Edmonton.

Several families of settlers have lately arrived from the States and located on farms in the community.

J. Merritt was bidding farewell to friends on Sunday evening before leaving for the States. We will miss Mr. Merritt's jovial face from among us.

Mr. and Mrs. Houghton and family have been seriously ill. Mrs. Houghton's mother and brother, Mrs. Latta and Bert Latta, of Washington, who arrived Friday.

The home of Wm. Thoms and family was saddened on Monday, the 19th, by the death of Mrs. Thoms after a few days illness. Besides Mr. Thoms three small children are left to mourn the loss of a dear mother. Mr. Thoms accompanied the body back to the old home in Michigan for burial. To his friends we extend our sympathy.

CONTENT

Messrs. Adison, Oughton and Patterson returned from Red Deer Thursday.

Harry Anderson is breaking in a new team of drivers for Mr. Wilkinson.

Miss Chilbrook returned from Edmonton on Monday.

Each evening finds a few of the members of the local football team testing their prowess with the sphere.

Nevie has organized and have gathered together a pretty strong element. Why some bodies they should give a good account of themselves.

T. Q. Moore has accepted the position as manager of the McTaggart lumber yard, lately vacated by Mel Kent.

The local implement dealers are doing a brisk business this spring.

Miss Tait returned to Edmonton Friday after spending the holidays with her parents.

Miss Lodge, of Lamerton, visited with Mrs. Stone, Ballochville, during the Easter holidays.

Mr. Thompson, salesman for the Massey-Harris Co. ex. was in town this week on business with the local agent, A. E. Kent.

Farmers in this vicinity are making preparations for seeding.

Quite a number of new settlers are passing through here on their way west and southeast of Stettler.

Content, we predict, will not experience a boom, but will grow steadily into a flourishing town, and who knows—perhaps a city. Let this down in your thinking department for future reference.

Improvement of Alberta Homes

That there is certain to be a marked improvement in the quality of Alberta homes in the near future, is apparent. The outlook for remunerative prices was never better than it is now and the facilities for securing the necessities of first class dwellings is constantly improving. Competitive between the different broods is doing much to keep the practice of making Alberta the dumping ground for the surplus of all breeds, and the educational work of the Department of Agriculture is doing much to make it difficult to secure patronage for animals of that class. The work is also being

themed by the fact that the world of importing horses is no longer in the hands of outsiders, but is being taken up largely by Alberta farmers and stockmen.

John A. Turner is the south, who is willing to take his reputation and judgment on the (1) day, of having his attempt to secure for the breeders of draft horses in Alberta the very best specimens of that breed that can be obtained at a price within the means of stockgrowers in a new country.

The Jacques Bros. of Lamer, are doing the same for the Redford Ranch, while Geo. F. Fleet is doing his utmost to demonstrate the superiority of the Percheron. All three of these gentlemen have recently imported one or more carloads of animals of their favorite breeds and each importation is spoken of as the best of that kind that is at present being brought to the Province.

In order to further facilitate the importation of purebred draft horses, an association has been formed of the Percheron breeders of France with headquarters at Montargis, the purpose of which is to direct attention to that level of horses and to put buyers in touch with as many of the breeders of France as possible.

With a home market for good horses far in excess of the supply, with the provincial government conducting a vigorous campaign of education, teaching the breeder the smallest qualities of a good horse and how they may be secured, with the champions of the various breeds, vying with each other in supplying the best stallions of their favorite breeds, and with the foreign breeders co-operating with a view to sending their importers in making their

possibilities, it may be safely said that a great many influences are at work for the advancement of the horsebreeding industry in this Province.

Mr. Whyte Hands Out a Package of B—C—

The Alberta Oil Field Friday night. William Whyte, Vice-President of the Commission, President, was in town yesterday.

Whyte is on his return trip from the coast, where he has been on an inspection and business trip.

In an interview yesterday regarding the building of the Calgary to Lethbridge and Banff to Alix roads, Mr. Whyte said the work was progressing favorably on both the branches. Grounding has already commenced on the Chaudière to Alix branch.

There were large crowds working at both ends. One outfit had started about twenty miles east of Alix, and another was working near Alix.

Considerable progress has already been made on the new south-west work. Work is being rushed as fast as possible, both on the road.

Mr. Whyte stated that a large number of this year's crop would go west, and the company had made ample provisions for handling.

Chicago, April 29.—Flow broke out early today in elevator B, of the Union Central, causing a loss of \$15,000 and the death of Charles McKillop and Simon Cooper, killed by falling walls.

The injured number seven, seven, including firemen and spectators. Five hundred the number of wheat, owned by Bartlett and Patton, and four hundred thousand and hundreds of corn and rye were destroyed.

The second National Peace Congress, which was held in Chicago during the past week, is now in session at the city's notable gathering of men and women interested in the movement for peace and international and other disputes by arbitration. Fully 1,000 persons attended the first peace congress, held in New York two years ago.

Chicago's central location will attract an even larger gathering of men and women interested in the movement for peace and international and other disputes by arbitration.

When there is work to be done, the team car is always ready to take a load.

Restricted Immigration Results In Great Falling off in Number of European Immigrants.

Figures which nothing short of startling are contained in the report of the Immigration Department for the fiscal year, which was closed on March 31, 1914. It shows that the number of immigrants from May 31st. The year came on March 31, and the report contains startling news for all Canada. It shows that the number of immigrants from Great Britain and European countries, decreased to the extent of 117,001, or 11.7 per cent, over the preceding year. This decrease is attributed to the results of restrictive legislation aimed at immigrants from the British Isles. It is gratifying to know that it has not seriously affected the immigration from the United States. On the contrary, the immigration of natives from the United States is only slightly less than in the preceding fiscal year, but it breaks all records for immigration across the north-

Winning the tone the AIX men put together 100 and then dominated their opponents for 30. This result was obtained by consistent all-around play in leading by Matt, Roland and Green, and a perfect partnership between Rosemary and Green. 3-4 bats were before the interval. Amphibians and Muckles twirled with much reverberation but were never too well supported. The Bunchers opened badly, but Muckles, Hale and Yorkburg tailed well and brought up the score. The finishing of the city was good, the catches made by Crookshanks

while the howling continued to Packer, Howe and Turnbull was a little too much for the out-of-boys.

The Lion and The Mouse

“The Lion and The Mouse,” by Arthur Hornblow, is the greatest word-picture ever written of the battle between American Capital and Labor. In his inimitable style the writer gives us a story of romance, politics and labor, so entrancingly interwoven that it holds you from start to finish. Don't miss it. In book form this story sells for \$1.50. We have secured the publishing rights and the opening chapters will appear about June 25th.

IMPERIAL STORE BURGLAR

Incendiaries Suspended at Court of Early Morning View.

Shortly after three o'clock on Tuesday morning a fire was discovered in Incubated by Mr. Kemp of the firemen, who noticed the blaze from his bedroom window. He immediately gave the alarm and the fire brigade turned out in short order to Hiram McDermott's jewelry store, but it was impossible to do anything but save the adjoining buildings (the roof falling in, shortly after the alarm had been given. The building and stock are a total loss, with the exception of the valuable contents of the safe, which has not been opened yet. Insurance was current. It is not known how the fire started, but incendiaries are suspected, as a few hours earlier the Chinamen of the building declared that their place was alright. The fire just having been kindled, he was easily able to get it going. It looks as though Incubated had a brooding. The burning of the old Barry hotel at Incubated was put down to incendiaries, but should the burglar have discovered the townsmen will know what to do with him and will likely do it quickly.

BABE RAIL

A large number of Alix men boarded the train on Friday morning for Yum to participate in the celebration there. The baseball boys went prepared to give some lively lessons in championship sports and showing the spectators how to play. The boys were only one of the two games played, they showed a big team of winning fans several ways in which baseball should be played.

The first game was with Yum, and was a fine game, the result being a tie. The game played for Alix, and the opponent just could not find him, and was able to score. The score was Alix 7, Yum 3.

Barling was the first game, and the boys were pitted against the better team. This proved an even better game than the first. Pittman also pitched this game for Alix, and for some reason kept up his speed, but it was too much for him and he weakened in the eighth and ninth. The final score was 6-0. Another game with Stettler is looked for.

Fourteen Live Lost

Fourteen live were lost at Whittaker Point, Lake Superior, when the steel steamer sank. Scott and John R. Corrie, soldiers. The boat was up bound on her maiden trip. The Corrie was down bound with 1200 tons of iron ore, and was rescued by the boat, which took over 100 tons of steel. The boat was in three sections in fifty feet of water. A heavy fog was responsible for the wreck.

Shower And Kansas Not By

Fluents in Kansas and Missouri have been working hard during the past week. A most spectacular week covered near Kansas. A passenger train was running along, the train being covered by nearly a foot of water when the undermost truck began to give way and the coaches slipped over (the sliding feet of water. The sliding was gradual, and the passengers had time to make their way into the pullman cars, which remained afloat. A man was carried away by the current in Main street, Portage, Mo., and drowned. A

dozens of persons in the town were compelled to take to the roofs of buildings for safety and to await passing parties.

Heave Ho!

A quiet wedding was celebrated in the Methodist church, Lacombe, on Thursday, July 8th, when the Rev. Theo. Powell officiated in the presence of Hymus John Potts, second son of James Potts, Rev. Victoria (Lacombe), Belton, England, and nephew of the Rev. I. T. Potts, R. P. church, Chicago, and Dr. Lewis Potts, Belton, Kansas. Potts, Daniel, and Emma, only daughter of John Fletcher Lodge, Big, Port Hove, Cumberland County, N. S. C., and niece of the Rev. W. W. Lodge, Green Church, Charleston, P. E. I. and Matthew Lodge, Esq., Montreal, New Brunswick.

Mr. and Mrs. Moore left on the evening train for Montreal, where they will reside. They have the best wishes of a large number of friends for their future happiness.

William Kelly Dead

On July 14, William Kelly, brother of the late James Kelly, who died at Victoria very recently, died at his home, 287 P. C. street, at about 3 P. M. He was about 60 years of age, and was a well-known resident in this city for the past twenty years.

His death is said to be unexpected. Mr. Kelly was in apparently good health until yesterday afternoon, a few hours after the arrival of the remains of his brother from Victoria. He was taken with heart trouble and expired very suddenly. Deceased was the father of C. R. Kelly, J. R. Kelly, Rev. W. S. Kelly, John Kelly, and Charles Kelly. He had resided in this city for the past twenty years.

Interesting happenings of the Week
With Our Neighbors on the West

Mr. J. G. Paul is looking very pleasant these days. No wonder when a son he long has missed has come home.

Miss Kitty McIntyre is home from the vacation from Edmonton, where she has been teaching.

Mrs. Maud, of Edmonton, accompanied by her little one and daughter, is visiting her parents, Mr. and Mrs. Dennis.

R. A. Bagg shipped a car load of cattle from the point on Tuesday.

The Presbyterian Guild will meet on Wednesday evening, July 28th, at Miss Fry's residence. Every one is heartily welcome. A light supper will be served and the time for which has been cash will be changed.

Mr. Falconer, of Edmonton, is visiting Mrs. D. McIntyre.

Mr. Victor Williams, brother of our minister, H. M. Williams, who was teaching school at Hagerfeld, is spending part of his vacation here.

Those of the government telephone men were in town on Wednesday, making a run at telephone poles for D. Pringle's telephone, Pleasant Valley. A large number of visitors to the experimental farm at Lacanville landed the train on Tuesday and returned very well pleased with the visit.

Mr. Brady is spending a few weeks with Mrs. M. M. Cook.

REMINDERS

Rebelle has for a short time a photograph studio. It is located just north of Mr. Turnbull's home.

Mrs. M. Latta and son Bert left on Wednesday of last week for their home in Winnipeg, after having spent the last three months at the home of Mr. and Mrs. Hargrave.

Miss Hester, of Kananis, visited in Lacanville on Wednesday.

Miss Daily Wagner is spending a few days in Lacanville.

W. Morrison has returned from his trip to Winnipeg and is now working near Valley City.

Mr. and Mrs. J. Irving, of Irving, were Rebelle visitors last week.

An enjoyable birthday party was given on the 18th at the home of Mr. and Mrs. R. Kennedy, the occasion being the sixteenth birthday of Miss Latta, and on Thursday our young folks were again entertained at the home of Mr. and Mrs. Hargrave in honor of Master Harold's thirteenth birthday. A good time was reported by all present at both parties.

Shaker Bros., general merchandise, have dissolved partnership and the business will hereafter be conducted by L. O. Shaker. V. T. Shaker left on Wednesday of last week for Seattle, Wash.

Rebelle cheese took two first prizes at the recent Calgary fair in competition with cheese made in other parts of Canada and the States.

Rev. R. C. Barclay, of the Christian church, left on the 14th for a few months' vacation at the coast. Rev. Mr. Hagan, of Calgary, who is taking up the work here, is expected to arrive with his family this week.

HAPPY BIRTHDAYS

Made! and much of it. Ope! look around!

Mary Johnston had a party last Saturday. Well had.

In spite of the inclement weather of last Sabbath, the Bible class at Mr. Franklin Wilcox was well attended. Mr.

Windsor conducted the class. Mrs. Vera Wilson presided at the organ. Pleasant and profitable.

Miss Tola, teacher of the German school, is spending her vacation in British Columbia.

Mr. Stephen Orvedal has sold his farm and expects to move away. Mr. Orvedal has proven himself to be a good citizen, straight in his dealings, and an agreeable neighbor. We wish him success.

Mrs. Ed. and Alfred Bowler, of Lacanville, also Mr. T. Anderson, and until a few days since Mr. Tola have been busy breaking up Mr. Windsor's farm. Mr. Windsor seems to be well satisfied with his staff of breakers.

C. P. R. is improving its bonds.

To keep pace with the great increased traffic over the Edmonton and Montreal branches of this road the C. P. R. has found it necessary to replace the mainline freight cars along both lines with the latest sort of steel. This work is in progress at the present time and a large number of men are being kept busy.

The rails at present in use are not sufficiently heavy for the largest type of locomotive used by the company. They will carry the big engines all right but not with safety. The arrival of a number of much heavier engines than are now in use on the western line at an early date will make the change compulsory.

These high locomotives will be useful for the hauling of grain this fall and will greatly facilitate the moving of the crop.

Rebelle killed by lightning.

Red Deer, July 18.—A storm storm accompanied by thunder and lightning visited Red Deer on Saturday afternoon about 5 o'clock. It was accompanied by a cyclone in nature and appeared to follow the course of the river. So far as can be learned there was no damage done out and no change to speak of on the river. The line west of the industrial school had 20 windows broken but the crop does not appear to have suffered much. Several farmers here or six miles west had their crops destroyed. There does not appear to have been loss of any human life.

A schoolmaster (Rebelle) at Markerville, was killed by lightning while returning from school.

As to being not completed or open for traffic or in the course of construction, the company shall meet, fences, gates and cattle guards as well as be laid. If not yet open for traffic these fences should be erected and maintained before the railway shall be open for traffic. Exceptions may be made in the case of bridges or approaches to rural crossings must be 30 feet wide surface on a continuous and made roads and sixteen feet on side and brush lands.

LAURENCE FINE RUI

EXCELLENCE TO CHURCH.

Traveller Sam Connolly, accompanied by his family, has returned from Church service.

Montreal, June 30.—John Leland, a well known brewer of this city, has instituted action for damages against Countess A. Adelle, of Lacanville, for \$10,000 against the town of Lacanville, and \$5,000 against the vendors of the parish church, Lacanville, as a result of a recent incident which occurred at Lacanville Sunday. Leland's statement at Orléans, and Sunday morning attended high mass at the parish church, Lacanville, but not being a presbyter stood up with many others at the rear of the church. When requested by Adelle, who is equal to the church on Sunday, to kneel down, Leland said he would when he was ready.

United Farmers of Alberta.

The regular monthly meeting

of the above society was held in

Today's Hall on Saturday, July 31,

and was fairly well attended, a

majority of members being present.

Among the several subjects

discussed Mr. W. J. Carroll

brought up the question of im-

provement of dairy herds, and it

was pointed out that about the

first step in this direction should

be the removal of scrub lands from

the range. Such an action would

be of great benefit to the dairy

industry of the province, and it

was hoped that some action may

be brought to bear that will accom-

plish this result. Other questions

were that of procuring new seed

wheat and of establishing a cow

testing association for the benefit

of the dairy herds in the district.

The several subjects were dis-

cussed at some length, and finally

left over to the next meeting,

which will be held on Saturday,

August 28. Every farmer in the

district is requested to be present

at this meeting, when he or she

will be of the U. F. A. or not. It is

expected that a government ap-

point will address the meeting.

Remanded For Trial.

R. C. Bruce, of Lacombe, who

was last week remanded for

trial charged with forgery, will

be brought back to Stettlesville

by the court on Monday.

A number of witnesses had been

called to appear against him,

among them being R. J. Macle

and C. H. Yarnold of Alix, but

upon arriving at Stettlesville,

Macle admitted his guilt, thus

obviating the necessity of a preliminary

hearing. He was remanded for

trial at the regular sitting of

court at Red Deer and on Wed-

nesday was taken to Fort Stettles-

ville to await trial.

An Old Alibiha Custom.

You on twelve years ago the government of the Northwest Territory and the wild hay to settlers who wished to lose it. The settler was asked to keep the land for a year and with the privilege of settling the hay in consideration of a small sum. No house would be granted except to those June 18th and July 18th of each year.

The law at that time provided, however, that the settler was not to be charged on lands which had not been cleared up to the 15th of July.

don, have been spending a few days with relatives in town.

Mr. and Mrs. Beattie, of Lacombe, went Wednesday with friends to town to the recently celebrated fair.

Representative Minkoff, of the division of the C. P. R., made an important trip over the road on Friday last.

R. P. Henderson has installed a new system of up-to-date gasoline lights in his new car, which greatly improves the appearance of Main street at night.

Mr. John DeWitt, of the Alberta Fair, on Thursday morning brought Mr. Henderson's motor home of outfit, arriving here on Friday last.

Mr. M. Marks, of Blackfalds, will bring the Presbyterian people here on Sunday next to place of Mr. M. Marks, who will conduct services at Blackfalds on that day.

W. G. Prance, C. P. R. agent at Medicine Hat, arrived last night for a visit with Mr. R. P. Henderson, who is an intimate friend, and who was a close neighbor of Mr. Prance some two years ago.

The Methodist and Presbyterian churches will resume afternoon services on alternate Sundays, beginning with the Methodist service on Sunday next. Mr. Collins will also conduct a prayer meeting, which closes every Sunday at 2 o'clock.

A large number of our spectators will have seen the last of the night work of the day after the day.

The fields are in splendid condition now, and we watch the action of getting down, which was not even a month or even two weeks ago. A number of games have been begun during the past week.

P. Talbot, M. P., was in town on Friday and Saturday, in company with Messrs. Dumas and Henderson, who were in town to see Mr. Talbot's real estate south of town. The trip was made for the purpose of inspecting the property, and with a view of opening the subject immediately after the election.

G. T. P. is in town today, which promises to be the last for the distant future.

FAIR WAS A SUCCESS DEBITE THE WEATHER

Second Annual Exhibition of the Agricultural Society brings out many Fair Exhibits and a Big Crowd.

Rein During the Afternoon Brought Out the Best Cows, and Pigs.

Exhibitors were Limited to Best Cows.

The second annual fair of the Aik Agricultural Society took place on Wednesday of this week, and was a decided success from nearly every standpoint.

Despite threatening clouds in the morning, the attendance was good, there being many people on the grounds than ever were in Aik before in one day.

The paid admissions alone reached nearly 100, and the attendance was estimated at over 1,000 to 1,500.

The exhibition was held in the new agricultural hall which has just been completed, and which is a great credit to the enterprise of the Aik and the community.

The building is large and commodious, and the appearance from the outside is not surpassed by any similar building in the province.

The exhibits, with very few exceptions, were excellent, and in many classes the competition was unusually keen.

In the roots and vegetables, especially, the exhibits proved a surprise to those who have labored under the erroneous impression that some vegetables were lacking in this section of Alberta.

In the collections were to be seen large cabbages, eggplants, string beans, and many other vegetables.

LAMENTON

Mr. and Mrs. U. B. Bonnell, who have for some time been visiting with their brother (Charles) and family, left Friday morning for Amon, B.C. Mr. Bonnell expects to return in about a month and resume his search for land.

Almost everybody in Lamenton met vicinity took in the Alix Fair on Wednesday, 29th inst. On account of the rain the sports were not quite as good as they would have been, but the majority of the visitors enjoyed the well planned with the Fair. A number of people from this vicinity attended the Weather Fair and Mr. and Mrs. A. J. Ray, having taken in the Fair at Ponoka also like well.

The dance in Lamenton school on October last was very successful. The music was furnished by Messrs. Williams and Carr and Mrs. Olson. Mr. Olson was four minutes. Support which was provided by the ladies of the district, was served in the old school. A number of dances were given. The sum of \$40 was netted from tickets. The money will be used in the purchase of an organ for the school.

Mr. H. H. Thibault, inspector of schools, visited the schools in this vicinity on Wednesday last. We regret that the inspector forgot it was Fair Day and so the school houses could not be attended.

Mr. and Miss Shivers, of Ponoka, were the guests of Miss Phelps on Friday and Saturday last.

Miss. Haykin and Chagnon, of Red Deer, spent Friday in town.

A government official from Ottawa has been recently looking over the work to be done at Lamenton.

G. T. P. surveys left on Saturday for the vicinity of Alix. The Thursday before last another lot of stakes were driven along Main street, and a line was run across the creek near the Bismarck house.

The Clark County Company will visit in Lamenton to-night (Monday). Prospects are good for a well filled house.

Miss L. Y. Clark has been very sick during the past week. Dr. Graham was in attendance. We are pleased to hear that she is recovering from her sickness.

Presbyterian service was held in the Methodist church on Sunday morning, last inst.

Automobiles are getting to be almost as common a sight as other conveyances in this district.

TIES

The Ross brothers, from several miles south, are shipping two or three loads of cabbage this week.

Miss Fry, who was the assistant postmistress in this town, has left and gone to Uxbridge, Ontario, as cashier. Mr. E. F. Fry, deputy, and his daughter, Miss V. E. Fry, are managing the post office now.

Mr. O. L. MacIntyre left town, with Mr. and Mrs. John Johnson, for Highland Park the end of last week, where they will reside in future.

Mr. and Mrs. P. H. Falouzer have taken up their residence in Vancouver.

The Presbyterian church is closed for three or four weeks. The new minister being engaged at the beginning of November.

Mr. O. E. Bellhouse spent a few days at Lamenton, but has returned to his farm three miles north of town.

Mr. E. E. Bradshaw has had some of his friends from Vancouver visiting him at his ranch. They left on Tuesday, Sept. 29th, after a visit of about a week.

E. A. Cowell, the town hardware merchant, and his wife are travelling with the Kingston Vandalites Co. H. Clough is keeping the store now.

The little daughter of Mr. A. Angus, Montgomery has been sick for the last week. It is said to be a mild attack of typhoid fever. We all hope that she will soon be well.

The C. P. R. have built a grade leading, past town, and it is W. Moore is laying grain.

SOUTH BUFFALO LAKE

Fair Day beheld the majority of the South Buffalo Lake fair army. The fair was held and winding their way towards Alix. Most of them returned home early in the evening, but a few stayed and took in the dance. Among the latter were Mr. and Mrs. C. E. Barrett, Mrs. H. J. Norman, James P. Norman, A. Jackson and Mrs. M. D. Norman and Mrs. E. K. Heston, H. Graham, K. L. Ewald, J. Jackson and J. N. L. Mrs. J. H. Norman and Ross Kell, furnished the music. All report having spent an enjoyable evening in the shade of the summit of dance had to be awaited.

Didn't we tell you that we would take some of the grass prairie? Mr. J. H. Norman took part with his wheat, and Earl Eitel came first with his two-rover barley.

R. Hosen and family were new drivers in the vicinity on Friday evening.

Some of our people attended a dance near Erskine on Friday evening, held in Mr. Hergerson's new assembly. Among those who attended from here were Mrs. J. J. Norman, Miss Norman and Dr. Norman, and Messrs. B. Eitel, C. Eitel, and others. The music was furnished by the B. L. orchestra provided the music.

Clyde Stinger, of Rosedale, returned on Thursday evening to his home after a week's visit in this district.

Misses Rachel Jackson, Eitel and Meyer, of Graham and Mr. C. Graham called on Sunday at Lakeland Ranch on Sunday afternoon.

Miss Anna Jackson spent the week at Lamenton with Mrs. Graham.

Misses Eitel and Ross Eitel and Clyde Stinger were Alix visitors on Saturday. Was it furniture this time, House?

Anyone standing along the North road once evening last week might have been amazed in thinking that Graham ranch was the scene of a horseback parade. To say the least of it, the riding was more overgrown than grunts and proceeded more unaccounted than most such shows would have done.

Miss Emily Hopkins, of Liberal, rode over here on Tuesday evening to visit with her friend, Pearl Storer, who was here until Thursday when she returned home with her brother and sister after taking in the Fair and dance at Alix.

Ross Eitel took second prize with his drivers at the Alix Fair and after taking in the Fair and dance at Alix, he was awarded a prize with some of her friends work.

Mr. W. Barrett took in the Fair at Lamenton on Friday.

Mrs. Graham had a number of visitors on Sunday evening. Misses A. and M. Jackson, P. H. Falouzer, and Messrs. R. Eitel and J. Jackson were there.

Among the visitors to Stettin Fair on Friday were Mrs. E. E. Kerr and family, Mr. and Mrs. Monahan and Clarence Graham.

Mr. E. Webster, of Nevis, called at the Graham place on Thursday evening.

C. Eitel returned to Lamenton on Thursday and was on Lamenton on Thursday and was on Lamenton on Thursday.

The cattle market opened on Friday but so far such small birds have been taken. It might have been better to have made this a clean sweep, but, as they are not very plentiful so yet, Cows are very much in evidence but few have been shot.

FATAL FIRE AT INDIANWELL.

Three persons died and seven injured as a result of burning Indianwells.

On Wednesday night of last week the fire broke out in the Burns house, Indianwells, and before it was got under control had completely destroyed the building, burning down the death of three persons and seriously injuring seven others.

The building was occupied by Mrs. Arnold, who had just recently moved it up as a boarding house. The family consisted of Mr. and Mrs. Arnold, eight, and John, John, and four small children.

There were several bedrooms in the house at the time, and two of them were actually burning when the fire broke out.

Mr. Arnold and three of the children were in bed asleep when the fire broke out.

BOARD OF TRADE MEETING.

The regular meeting of the Board of Trade was held at the Grand Hotel on Tuesday evening, December 8th.

After the reading and adoption of the minutes of the previous meeting, the matter of the long promised landing platform was taken up. The secretary reported that he had been advised that part of the material had been in the yard for some weeks, but that the balance had not yet arrived. The subject was left over to next meeting.

The question of new business houses appeared in form of a short discussion. It was stated that Mr. R. P. Smith reported to open a bakery as soon as he could have an oven built into his new building on 11th street. The need of a bakery was one of the subjects which had been discussed at the meeting.

It was pointed out that all discussions were favorable for a landing platform; also that such is not the case with the new building because of poor water.

It was moved by Mr. Smith, seconded by Mr. Smith, that the secretary be instructed to communicate with steam landings at C. P. R. A motion was carried.

FATAL ACCIDENT AT TRAIL

Miss Moore, Manager of Bazaar,

Killed by Machinery.

A terrible accident occurred at

Trail on Wednesday afternoon,

when Miss Moore, the agent

for the Alberta Pacific Elevator

Co. at that place, lost her life.

No one was present when the

tragedy occurred, but it is supposed

that the unfortunate man went

underneath the elevator to attend

to some machinery, when his clothing

was caught by the wheels of

shutting and he was thus drawn

into the machinery.

It was noticed by several persons

that the machinery was running

without the elevator, but no one

thought it was given it until

after the afternoon Mr. Paul

Levine, a driver from the

farm to see his brother, was able

to find his brother's body, and

several men took up the

search, including Messrs. Lawson,

Alison and Moore, who found the

unfortunate man's body under

neath the elevator's shaft. The

body was horribly mangled.

Dr. Marjor, of Lacombe, was at

once telephoned for, and held an

inquest, after which the body was

taken to Lacombe to be buried,

after which it will be taken to the

former home in Iowa for burial.

Miss Stella McMillan, the

daughter, arrived here on Saturday

morning, and school commenced

on Monday. She is boarding

at Mr. R. H. Cook's.

Mr. and Mrs. J. R. Cook are

moving to Clatsop this week.

Mr. Jack McMillan is keeping

house for his brother, Mr. Paul

Pratt, over the stock. Mr. Pratt

expects to leave town this week.

CONTENT

Mr. Hargrave has returned home from his trip to Whitehall, he reports a good time and lots of news.

Tom Flahy has been appointed for Art. Kent the best for 1914.

John Jackson has purchased a well drilling outfit and is at present digging Mr. Tugger's well.

U. Gilmore and Pete Hunter are in town Monday.

The annual school meeting of the taxpayers in district was held on Saturday, in the school house.

Here a very poor attendance, in fact it was a routine meeting only, a very a temperate shower.

Mr. Almon and Mrs. O'Connell, returned from their trip to the States, they had been attending the ceremony.

Mr. T. Q. Moore paid a visit to Alton Tuesday.

Mr. O'Connell, our enterprising merchant, is having a January sale. He has slaughtered pigs down to almost cost, in fact, the T. K. Moore, who should get an order from him to discontinue for a month.

Secretary Williamson, of Teachers' school district, visited official duties here on Saturday.

Mr. Campbell, of Wood Lake school district, also had his book up on Monday to the state school office.

FROM ANOTHER CORRESPONDENT

Mr. Adam Jackson, one of our enterprising agents, has purchased an up-to-date well boring machine and promises any one in need of his service a beautiful supply of water. He is at present putting in a well for H. C. Tugger.

The month of a chopping machine, operated by Tom Flahy, was to be heard in our town during the past week.

Real estate is still on the move. H. Austin has purchased from A. E. Kent a large tract on Main street. Harry is running things and game business.

Ray, again and wood, paid from Mexico to their respective destinations, and daily we hear farmers commencing on the cornfields the G. T. F. will be in them another year.

Mr. T. Robinson, honest inspector, passed through Ontario this week, spending a few hours with his old friends Mr. and Mrs. McTugger. Mr. Robinson is very popular, and an evening with him is a treat.

The demand for coal still continues. Mr. O'Connell of the Ben World coal mine, reports shipments of over one hundred tons daily, business appearing local roads.

P. O. Kent returned home this week after visiting friends in British Columbia. Fred also called at Inverlaid and Marlborough.

We are pleased to hear his cherry Chateau comes, but disappointed that he returned alone.

South Buffalo Lake
Miss Nettie Ross has been appointed to teach the South Buffalo Lake school until the 1st of March.

Miss Edith Hoffman, of Tera, is visiting at the home of Mr. and Mrs. J. H. Gorman.

Our Advice is, Marry the Girl!

But don't do it until you have equipped the home with a

Sunshine Furnace

(Made by McIntyre)
It is the only furnace of its kind in the world, perfect in heating capacity. This and its small size, then, if you would make her equally happy as to it, that the kitchen is equipped with a

Sink-Alta Range or Stove

She won't be happy till she gets it, and you might as well start right.

When you need a gift, if these since the beginning of the season, and still have quite an assortment on hand. Come in and look them over. You need them—no doubt.

And when it comes to taking bath we won't say it. When you need it, or anything in the way of graniteware for the kitchen, hold or heavy hardware, remember that our catalog can give you the satisfaction you can get

adjoining group. The reminiscence and delicate conversation between the two men, half hidden as it was, this morning in a crisp blue linen gown, the femininity and grace of her sweet pleasant face, the vivaciousness and eloquent nature of her manner, the charming sympathy and self-sacrificing devotion which made her devoted follower—she was to leave a memory and a hope, as well as a living, present reality. In the end she found again the mother, sister, aunt whom in youth they would never dare return to unless at certain times of the summer, a great feast of love and friendship came favored again, Elizabeth Barrett Browning.

Her noble

the boat seemed sufficed for the day's work. The disappointment of the trip home and start-up of the engine was a character sketch of the man well known to me. I was sitting on the porch the night we saw the boat from the shore. The boat was in the water and the man was on the porch. The boat was in the water and the man was on the porch. The boat was in the water and the man was on the porch.

STIRLING

IN SUNNY SOUTHERN ALBERTA

The fine of gas struck at Stirling continues to be the all important theme of conversation.

Stirling is being built up every day and a number of industries are inquiring about locating

at Stirling. This has been the

in attracting widespread interest is evidenced from the following telegram just received at this

office: "We are arriving yesterday representing large capitalists. In drill for

large gas well. Many settlers arriving daily.

And this: "Twenty-five to thirty settlers at hotel every night. Not more dwellings

needed immediately. Things booming."

Stirling is having a phenomenal growth. In addition to having the flow of gas, it is situated

in the centre of the best and growing district in the world—the district that grows 60

tons of wheat to the acre. One crop pays for the land.

A despatch from Washington states:

"Professor George Severance, agronomist and formerly head of the Agr.

department of Washington State College, has gone to STIRLING

Alberta, to take charge as general superintendent of five large farms, comprising

25,000 acres, belonging to five independent companies. In an interview

with the professor, he stated that the farms were being developed in planting, cul-

tivating and maintaining crops. The farms are situated in a farming belt

between 17 and 18 inches. These farms occupy a great deal of the STIR

LING. As the ground is broken and planted, the working force is

being increased until a total of about 1,000 men are EMPLOYED THIS YEAR

ROUND."

These are the latest styles, direct from the manufacturers.

E. L. TRICKY

Say Mr. Farmer

when you need anything to help carry on your business no matter what it is, you will make a very great mistake if you don't see our stock.

What do we carry?

Why, everything that the farmer needs.

What line of Farm Machinery?

Why, the very best of course.

THAT'S MASSEY HARRIS

Miss Madden spent the week end with Mr. and Mrs. W. D. Magee.

Dr. W. D. Magee, of Red Willow, paid a visit to his sister, Mrs. J. B. Markle, last week.

James Davidson was sentenced to custody last week by the coroner's jury on his wife's case.

Mr. John Martin, of Athol, Ontario, arrived here last week on a visit to his sister, Mrs. J. B. Markle.

One of our best short story writers has been here this week, returning to Ottawa on Tuesday.

Mr. J. L. Partridge, of Vancouver, British Columbia, arrived yesterday on a visit to his sister, Mrs. J. B. Markle.

Quite a number of telegrams were sent on Friday evening last to attend a social at St. Andrew's. All reported a good time.

Joe, Walter and family left on Tuesday for their new home in the town of Athol, about twenty miles from here, on the O. & P.

From the last issue of the Alix Free Press we take the opportunity to mention the names of Mr. J. B. Markle, of Vancouver, British Columbia, and Mr. J. L. Partridge, of Vancouver, British Columbia.

Mr. J. B. Markle has stopped several loads of hay from this point this week. Although he has a large supply, he has to move it all before we lay by on the market.

The coroner's jury last week was organized at the coroner's office on Friday evening last at 7:30 p.m. at the residence of Mr. J. B. Markle, of Vancouver, British Columbia.

The Agony OF PILES

ONLY those who suffer from this distressing ailment know the agony it brings. It ruins the life of the sufferer, makes the brightest home uncomfortable, and causes the most delicate of women to feel ashamed of their condition. It is a disease that cannot be cured by any other means than the use of the only reliable remedy known to the world. It is a disease that cannot be cured by any other means than the use of the only reliable remedy known to the world. FORSTER THE TOWN THAT WILL GROW

Situated on S.W. Quarter of Section 4-42-21 W. 4; 35 miles south of Camrose; 22 miles north of Alix; 80 miles northwest of Stettler; 82 miles east of Ponoka.

FORSTER is located in the heart of the famous Buffalo Lake region (noted as the best agricultural section of Alberta), on the Grand Trunk Pacific Railway. This district has been settled for a number of years by an industrious and intelligent class of farmers, anxious to support a town of several thousands.

Only two miles distant, on a direct road, is the BUFFALO LAKE BRANCH, already becoming famous for boating, fishing and hunting, and as a summer tourist's resort.

Surveyed only on June 18th, this town already has a General Store, two Restaurants, Lumber Yard, Meat Market, Hardware, Livery Stable and Bank. The rest will come quickly. You can be one of them. Don't hesitate, but look into all the conditions and act quickly.

If the Alix district has prospered

and advanced during the past year, it is due to many causes.

For seven years development during the past and succeeding years.

When the C. N. R. P. was first

road was spoken of a year or so ago

so likely to be built through here, many of the "old residents"

were incredulous, and prophesied

that such would not be. But, in

speaking of the work being done on the line last week, one of

the contractors stated to the Free Press that in all probability

the road would be laid on for miles within the next six

months or maybe eight weeks at the most.

At about the same time Hon. Senator Peter Talbot, who was then

in Calgary, said to a reporter: "I have it on the best

authority that there will be five hundred teams at work on the

Canadian Northern branch line from Stettler west to the

Branson and mine west of Lacombe."

Senator Talbot, "will be built for fifty miles west of Lacombe

this season, and the balance of the line, one hundred and

twenty miles will be completed early in the spring."

The route of the line, according to the final location, which

has recently been completed, will be westward from Stettler

through Alix, paralleling the C. P. R. It crosses the C. N. R.

at Lacombe, the railway passing near part of the property of the

farm and the farm of Branson Talbot south of the town.

It is estimated that the line, when completed, will be about

100 miles long, and will be a great benefit to the district.

YOMEN CELEBRATION AT BUFFALO LAKE

First Annual Provincial Picnic

On Saturday, July 9th, 1910

At L. A. Bently, owner of the Buffalo Lake

Although only in its fourth year, the Yomen celebration at Buffalo Lake, Alberta, has made remarkable strides in the extension and expansion of the boundaries of the organization. It has been a success in every respect, and the many returns of the picnic, Thursday, Friday and Saturday, July 10, 11 and 12, were filled with the first annual provincial picnic of the Yomen, which was held at Buffalo Lake, Alberta, on the Buffalo Lake and the Yomen.

The town of Lacombe is an old town, being the first town in Alberta, and has long been known by the advancement of civilization and the progress of the town, which has been a success in every respect, and the many returns of the picnic, Thursday, Friday and Saturday, July 10, 11 and 12, were filled with the first annual provincial picnic of the Yomen, which was held at Buffalo Lake, Alberta, on the Buffalo Lake and the Yomen.

On the evening of Thursday, July 25th, a dance was held in the new building opposite the Grand Hotel. A large number of people were present and the dance was a success.

There is talk of changing the name of the school to the "Alix School" as the name being confused so often with that of the school, named school house.

Chicago proposes to place all tracks, surfaces and elevated, that enter the main zone, below street level. The above view shows a station on new Wabash Avenue four-track subway. The trolley cars are on the right, the elevated express cars use the left-hand track. The lowest track is the present 60-mile freight subway.

The government's role in her case was not as simple as it might seem. For years, the "father in law" of the poet, a Canadian, had been in contact with her. He accepted her as his daughter and she returned his affection. She was, in fact, his only child. The poet's father, a Canadian, had been in contact with her. Everybody and his aunt has the right, and just as early as one of the two *Speakers* can rise, so the lower house will have to tough up the odds and make a decision today or tomorrow. And while we are at it, let's shoot the *Speaker* and his friends. This is the first improvement in industrial transportation in centuries. Automobile has replaced the only thing in our civilization that has been better than it. It has replaced the horse, so that I think the animals will be with us as long as the horse been with us. The case of the poplar houses is different—they will now settle down to the normal state. Some idea of the effect of a general closing may be gathered from the fact that the loss of revenue to the Moon Empire on Saturday, May 6, was very nearly \$200,000. Say the Moon Empire represents one-tenth of the pleasure seeking of the community, you have a decrease in revenue of one-tenth and must half on the standard of half a million dollars, to be done on the Friday of the funeral.

MAGIC BAKING POWDER

Does not contain Alum

YOU cannot bake pure food with an alum baking powder. Alum is a dangerous acid that causes certain injury to health. It causes indigestion and disorders of the heart; and wrecks the nervous system.

Food scientists everywhere condemn alum as a wholly poisonous chemical, unfit for use in any food preparation.

MAGIC makes pure, delicious, light bread, biscuits and pastry, insuring healthy home baked food.

MAGIC is a medium priced baking powder and is the only well-known one made in Canada that does NOT contain alum.

YOUR FALL OR WINTER SUIT OR OVERCOAT

If you want a good fall or (overcoat) this season buy of a house that has the reputation of selling (GOOD CLOTHES).

For a better economy than a good suit made up of a few pieces that is to stay off to your seasonal suit that will cost you \$25.00 to \$35.00.

Such purchases are always disappointing. The man who comes here for his fall suit will always get good looking, stylish, well fitting, and well made suit more than they're worth.

We draw your attention to our line of shoes at all prices.

Watchorn & Company

West of Red Deer.
Red Deer, Sept. 17. Arthur Hanson, and John Kirkham, two young Plinkerton immigrants, who have been in the country for a few miles now, were moving their effects on Monday morning from an old shack to a new one to a half mile away. Kirkham had in the lead on his shoulder a dog which went off to see if he should lead the lead on his shoulder. The charge went through the right thigh of Hanson, who was a few feet behind him. The unfortunate man was brought to Red Deer Memorial Hospital, reaching here Monday night, but the loss of blood and the long journey were too much for him.

Tate's Fair Notice

THE ALIX FALL FAIR will be the biggest yet. The exhibits will equal any two of the preceding years.

A big tent near the Fair Building will be filled with exhibits by the local merchants. Look for Tate's.

The sports will be varied and exciting. Horse Racing, Foot Racing and

Baseball, Foot Race, Deer vs. Alix.

With all this crowd (Five thousand) in town, we expect to be rushed off our feet.

I want 2 extra clerks for Fair Day. This store will be open from early in the morning till late at night.

TO THE FARMER:
You can help yourself by helping us. Read the following:

Bring your family to the Fair. Come early.

Do your trading at TATE'S STORE.

Bring me your Butter, Eggs and Vegetables. I want them.

Put your name on each box of produce you bring in. Write out your order before you leave home.

Remember, anything we haven't got and you want we will get it for you.

Don't get impatient if we seem slow. We will do our best.

TO THE TOWN PEOPLE:
Please send your order in the day before.

DO ALL DIAMONDS LOOK ALIKE TO YOU?

If they do you are certainly not an authority on this most popular of all gems.

Remember there really is no such thing as a diamond that is alike to all others.

So if you don't know, you will just have to take somebody's word for it.

We invite you to put your trust in us. We assure you that our diamonds are all of the best quality and our prices are after most careful delivery.

Our prices are exceptionally low on high class diamonds.

INQUEST:

The shades of night were falling fast
As through a town in Europe passed
A quiet man, with stealthy tread,
Who saw and then a whisper said:
"Inquest!"

Its form reflected and the door
by,
In silence and of midnight, who he
With roud found its mirror, gazing in
deep.
My hills! I'm poughed with the
of rain
Each man and mother and
and

A red tawny streak above her head,
 And as he observed again he said,
 "Is that it?"
 He wears a wash red, white and blue
 At times he heard a low drum-beat,
 And then he stood upon her head,
 As with a wink he said

"Is that your name?" the old man
cried.
He saved the questioner's name.
"My name," the young man
said, "I'm traveling you see, he said,
in disguise."
"My name," the old man
cried, "I'm traveling you see, he said,
in disguise."

The mighty hurricane <i>blast</i>	<i>erud.</i>
The stranger <i>flashed</i> and hung his head,	Who have the wren and <i>grouse</i>
I'm trying hard to keep his <i>name</i> , <i>foreigner's</i>	With words <i>fast</i> down and <i>staring</i> <i>hastily</i>
Where'er he went 'twas <i>not</i> the same, Not when they asked how <i>fast</i> his name He said, not mention it <i>indeed</i> .	The word <i>was</i> <i>point</i> and <i>ouch</i> — <i>rich</i> .
He <i>tried</i> to <i>trick</i> —	<i>Kills</i> , from whose <i>beams</i> to <i>fairer</i> <i>view</i>

And there we tarried till the land be passed
And when he called for home at last,
Nobody knew the strange man's name
Nobody knew from whence he came
His modest ways, his ringing voice
And his sweet smile, and kind words
And, if you ask the people there
Just why he was, they'll say he
And the deep dreams of rangers
On banners of the stars who
The night
Spent this the realm of his
wings,
That take the heart with
delight.

He never told, he said, and

LAMERTON.

The wolf dogs have finished drilling the wall at the school-house and are gone to drill one at the hotel.

An ice cream social was held in the Yonessa Hall last week, under the auspices of the Yonessa Ladies' society. The attendance was not very well attended, but those who were present had a good time.

Mr. and Mrs. Dorewell and their family have come to reside in Lamerton.

Misses Louise and Edith Harvey are attending school at Lamerton. Labalade school having been closed down for the winter.

Mr. Philip Hale and Mrs. A. J. Hale were amongst the prize winners of Alix Fall Fair.

Who says we can't grow corn in Alberta? Mr. Elder has a splendid crop this year, and is now exporting with apple trees. No thing venturing, nothing won.

We have a meat market now in Lamerton, but still we need a blacksmith shop.

A number of people from Lamerton attended the funeral of the late Mrs. E. H. Phelps, of Fort St. John. Mr. M. G. Gilbert presided at Lamerton and Manfred last Sunday, in the absence of Mr. Young, who attended the funeral.

Our recent experience with the farmers at Lamerton and Macdonald dispenses the statement, "that farmers will not trade where there is no money," a cry we hear from so many merchants. At these two points we have failed in this policy in a couple of weeks.

Max, L. Post Phelps, wife of Harry A. Phelps, suddenly passed away at their home in Ponson on Thursday evening, October 18, at 8 p. m. of apoplexy.

To all acquaintances who are in the best of health, this had just occurred from a cold on the 18th of D. Pearson and in less than five minutes was gone beyond all earthly aid.

Coming so sudden and unexpected it was a terrible shock, and has cast grief and sadness over all who have known her. To have known her to love her; always light-hearted and cheerful, she was truly a friend of all, and her death was a great loss to all who knew her.

Funeral services were held at the funeral home on Monday, Oct. 19, at 2 p. m., conducted by the Rev. Mr. Thomas, of Fort St. John, assisted by Rev. Fong, of the Methodist Church, and was attended by all who could find time to come.

The burial was in the cemetery. The funeral home was very busy, and many people were waiting to be buried.

The services were followed by a reception at the home of the deceased.

The funeral home was very busy, and many people were waiting to be buried.

the "Rise" was sung. The pallbearers were: Miss Williams, Mrs. Williams, W. Edgarson, and F. W. Cortland.

The funeral was held in East Gordon, Charlotte, Co., Mich., and came with the family to Alberta four years ago last month. She was married to Harry A. Phelps at the home of her parents, Mr. and Mrs. Joseph Matthews, of Clive, Alta., on Dec. 28th, 1893.

By the Rev. Mr. McKelvie, of the Presbyterian Church. They moved to Fort St. John in August when he had prepared and finished a comfortable and cozy home. Early in the spring they joined the Christian Church, and she was a very active member in her life's residence with them.

To the grief-stricken husband, seven brothers and four sisters, and many friends, this bereavement comes, the beautiful sympathy of all is extended; but we have that comforting thought which offers the fall of a weary life, and the promise of a better one.

Q'THARD'S GAS WELLS.

Natural Light and Heat is a Feature

of Western Petroleum

A man driving along the shore of Lake, in the north, had a chance to see a beautiful light and heat in a natural gas well.

The light was so bright that it was like a star, and the heat was so warm that it was like a fire.

The man was so surprised that he stopped to look at it, and he found that it was a natural gas well.

C. E. Barritt, PROPRIETOR

ACROSS THE RIVER.

Lowell Doughty paid a visit
to business to examine the first of
this work.

Dr. Smithman expects to be
starting work on his house-
hold west of Lacombe. He started
for that community Thursday.

Ray Johnson was up from Cal-
gary to the W. Hotel. He had
an important number on the pro-
gramme.

It looks like business to see the
Monsi. Lake scholars line up for
breakfast. They have a good
time.

Mr. Thomas Hampton and Or-
ville Johnson wait to the lumber
camp 40 miles west of Lacombe.
On Monday Mr. Hampton is a
professional in the lumber busi-
ness, having served many years
experience. We wish them suc-
cess.

The Hotel was a success
There was a good program. The
characterization of the Hotel
was especially good. But there
was a good variety of play.

Ed. Horton is certainly de-
veloping a local office business these
days. Besides the hair and the
ranch he is running an extensive
game on the bridge construction.
He has a "cherry mill" at work
and has made arrangements to
put things all winter.

BOUTH BUFFALO LAKE

Earl Estell pulled in his thrash-
ing outfit Monday. He says he
has done enough work for this
season.

Pearl Horton after spending a
few days with his friend, Miss
Jackson, returned home on Sunday.

After a delay of four days, a
train of four horses left the camp
near by. Mr. Mary's thrashing
outlet commenced work at the
Orleans ranch Tuesday.

HAMFRED

(Sawney Valley.)

The stark visited the home of
Mr. and Mrs. Morrison recently.
A new. Congratulations.

The Massey school board has
secured the services of Mr. W. W.
Donnan, M. A., graduate with
honors from the University of
Queens University, Kingston, Ont.

John MacKenzie's famous
"Chlorine" is a "boy of pains."
Alberta will doubtless hear more
of him later. We welcome Mr.
Donnan to the West.

Mr. Frank Timmons and family
have gone across the line for the
winter.

Mr. D. H. Horn has secured a
homestead near Perivict and
will now be there there shortly.

Some of our people, occasionally
over to the Presbyterian services
at the Elbow school house.

The new student, Mr. W. H. H. H.
his predecessor, is trained, experi-
enced, and devoted. We are re-
minded of Bishop Fulton's remarks
at his address at the
Eucharist Congress in Montreal,
he declared when speaking of the
Bishop O'Connell work in the church
that the present-day devotion
who influences the R. C. church
had most to fear, is the Presby-
terian.

can church. The students at Elbow
have been successful in helping
to produce a spirit of harmony
among their people.

DISTRIBUTION OF SEED

GRAIN AND POTATOES

General Experimental Farm, Ottawa.

By instructions of the Hon. Minister
of Agriculture a distribution is being
made this season of samples of
improved sorts of grain and potatoes to
Canadian farmers for the improve-
ment of their crops. The distribu-
tion has been secured mainly from the
Experimental Farm at Indian Head,
Sask., Brandon, Man., and Ottawa.
The samples consist of oats, spring
and winter wheat, barley, and
potatoes. The quality of oats and
barley, and of wheat and barley is
sufficient in each case to sow one
acre of seed. The samples of
potatoes are of the variety of
Indian, cash, and potatoes, which
is a quantity of each variety.
The potatoes have been raised for
this distribution.

CLAY, George, Abundant, Grand
Island, Wide-Awake, Thomson's
Island, Improved Lakeland—all white
varieties.

WHEAT: Red varieties—Marquis
and Earl Grey. Blue varieties—
varieties of high yielding strength, field
yield, blueness, and resistance to
disease. White varieties—Lakeland,
White (broadhead), White (narrow
head).

BARLEY: Two-rowed—Marquis
and Thomson's. Four-rowed—
varieties of high yielding strength,
field yield, blueness, and resistance
to disease.

RYE: Two-rowed—Marquis
and Thomson's. Four-rowed—
varieties of high yielding strength,
field yield, blueness, and resistance
to disease.

POTATOES: Two-rowed—Marquis
and Thomson's. Four-rowed—
varieties of high yielding strength,
field yield, blueness, and resistance
to disease.

Only one sample can be sent to each
applicant, however if an individual re-
quires a sample of more than one
variety of wheat, barley, or rye, or
potatoes, or more than one sample
of any one variety, the applicant must
order a separate sample for each
variety, and each sample must be
sent to the Experimental Farm, Ottawa.

Applications should be addressed to
the Dominion Controller, Experimental
Farm, Ottawa, and may be sent in any
form from the 1st of December to the
15th of February, after which the lists
will be closed, and the samples will
be sent to the applicants.

AROUND HOME

Has anybody here seen Gwendolyn?
A dance is being held in Fred's Hall this evening.

Art, Pauline, commenced the barber shop on Monday.

Mr. J. H. Mark has been away for the past week.

W. H. Woodger is spending a few days in town with his brother, Chas.

C. W. Shipley, of Hinton, is spending a few days in town on business.

A small stable on office road, has been added to Fuller's new market.

Just enough snow has fallen the past week to make excellent sleighing.

Harry, the Westerner, is spending 10th, 11th, to Mr. and Mrs. Wm. Kraft, a daughter.

Methodist services in the church next Sunday evening at 7:30. Every-body welcome.

C. R. Hargill has purchased a lot on Pacific avenue, and started work Monday on the erection of a residence.

Navigation opening for commerce is four weeks away. As yet no one seems to be making any effort to start.

Refrigerator services will be held in the city school house every night next week, at 8 o'clock. R. F. Proctor.

F. J. Cramer, who is here the provincial manager for the Home Life Association of Canada, spent a few days with friends in town last week.

The new restaurant building adjoining J. C. Davis office on Hinton street is fast assuming shape, and should be ready for business in a few days.

Among the departures from Alix for the Old Country last week were Mr. and Mrs. Walter Parley and Miss Sheila Murray, of England, and Mrs. J. H. Mark, of Hinton.

Mr. Fred M. Harris will return for the first time after visiting in Alix on Friday afternoon and evening, the earlier stage, and after the New Year on the first and third Fridays.

Miss Gertrude L. Pledge, of Lacombe, has resigned her position as post mistress at that place, and is succeeded by Mr. A. Thomson, who received the appointment this week.

G. R. Rice, of the Western Transportation Investment Co., paid a business visit to Alix last week, for the purpose of inspecting the new tourist office of Lacombe.

Samuel Jackson, of Edmonton, is reported to have accepted the position formerly held by Fred T. Gibby on the River, Pembina and Hinton projects, and will put them on the market in a few days.

Rev. Mr. Widdows, Presbyterian pastor, preached his first sermon here on a large congregation on Sunday evening last. He was well received, and will doubtless meet with a warm welcome in Alix.

The wrestling match between Ole Thomsen and Bud Hart on Friday night last was fairly well attended. Hart secured to show Thomsen three times within an hour for a purse of \$200, and understanding that he is thirty pounds lighter. He failed to get a throw, but put up a game battle.

Mr. Neil F. Field, who has been engaged the past few months in the Free Press office, left on Friday last for Lacombe, Sask., where he has taken a position as manager and editor of a new paper that is being established there. We regret to lose Mr. Field, and wish him every success in his new position.

Mr. Mead (or woman) do you know that every, every Christmas is only about three weeks away and that some of the shabby you men will have to be expended in satisfying these very lots to himself. Do your shopping early and give the clerk in the store time to enjoy the holiday instead of being tired out.

The skating rink will likely be opened to the public on Saturday evening. The first skating was done last night. The improvements have been completed, including view seating for the slides, new wall and pump, and the dressing rooms have been covered with metal siding and new roofing, making the building very attractive.

Miss Fry, postmistress at Calgary, but formerly of Tux, has resigned her salary position to take a teacher's one at Canby. The Calgary correspondent says it is a matter of course regret that our postmistress has accepted a position in the Centre P. O. and leaves Calgary at the end of the month. It

WILL HANDLE FREIGHT ABOUT DECEMBER 15TH.

Grand Trunk Pacific Road Will Handle Alix and Other Freight.

Steele laying on the Grand Trunk Pacific Road.

Steele has been proceeding with all possible speed during the past few days, and reached the Chilkoot on Monday of this week. The Chilkoot siding was held on Tuesday, and, having made the steel going home to reach Alix about Saturday of next week or the following Monday.

It is stated by the officials that immediately upon completion of steel laying to the Red Deer River, which will be about December 15th, the road will handle freight in carload lots, including grade.

At the time of this dispatch it was believed that he had returned to Lacombe to continue his canvassing, but later information goes to show that he has returned to the city to be left the home and right a heavy haul have and removed the pump, leaving his hand bill at the Imperial Hotel.

Goodwin, who is an Englishman, is a slightly built fellow, weighs about 125 pounds, wears a long coat, and does a great deal of talking on church affairs. He appears to be well educated, and is a member of the "L. O. O. F." and other places.

His agricultural history.

The annual meeting of the Alix Agricultural Society will be held in Steele's Hall at 3 o'clock p. m. on Friday, December 10th.

Monday Lake Bible school gave a good programme and Christmas Eve Friday evening. Dr. B. The event was especially good. The crowd was all that could have been expected.

Miss Rita Hartman is home for the holidays. She expects, however, to return to her studies in Edmonton College early in January.

Mr. Rank of Edmonton, is visiting the Hartman family during the holidays.

Mr. Dave Smithman surprised his family by coming home in time for the Christmas tree. He will remain over New Year's.

Mr. James Parker and Mr. and Mrs. Haver are visiting the Parkers and other relatives during the holidays.

The river just south from the Deer, also affords one of the best skating rinks we have seen. It is the full width of the river below the rapids and from 1 to 2 mile long and the

ice has been good. The Monday Lake and Great Valley people have been enjoying the skating. Mr. Rank of Edmonton, is visiting the Hartman family during the holidays.

Mr. J. L. Doughty spent the day at home, but at 10:00 a.m. returns to Kelowna the first of the year.

ACROSS THE RED DEER.

Miss Miss Hartman is home on a short trip. She intends to return to Edmonton to finish her course.

We have lots of fun over the election for councillor. Bob Hartman and Dick Ellinger are good humored opponents. Home made curtains and other kinds of novelties are the chief items of the day.

The first week of the public school opened in attendance. School started on January 8. Ernest Merritt recently visited a few days at Hargrove.

Wanted—To correspond with any basket ball team within ten miles of Mondak Lake with a view to arranging a game.

James Parker, Mr. and Miss Harris have returned to the ranch without from Stettin.

Robert Stappan, Mr. Brittain and Emil Koenigsmann had a business visit to Lethbridge the first week in January.

The evening of January was a windy one. Only occasional stray hays, etc. were later found with howler.

A new original man has started to work at Mondak Lake. He has a new plan in a very progressive manner every year.

John McEllean has been heard from. He may be expected at any time. We have our own little ready for the chair.

A choir has been organized for the celebration of Mondak Lake. The Young People think it is a good thing for them to have a little practice and experience in such things. The hour for practice is 7 o'clock Wednesday evening.

Without remembering it. We want to keep you reminded that we still have a number of **Clark's Charcoal Foot Warmers** no matter how long the drive or how cold the day, you can be comfortable by having one.

Sleigh and Outter Robes

We have a wide range in rubber insulated robes—the kind that keep out the wind and wet—in felt, fur and buffalo. They won't go home without one! We say so.

MAKE THE NEW YEAR BRIGHT

by putting in a
MOORE GASOLINE LIGHTING SYSTEM

Once installed they cost less than coal oil lamps to burn, are clean, and, what's more, give ten times as bright a light as the best oil lamp you could get.

Don't think you can't have them because you live in a rented house. They can be easily moved.

Come in and talk to us about them

AT THE OLD RELIABLE

SANDERSON'S HARDWARE

DON'T TAKE CHANCES

An over heated stove, a match carelessly dropped, or any one of a hundred different causes might start a fire that would clean up every building you own! And a fire never gives warning. It might come to-morrow.

BE PREPARED

By insuring in a good company. Then, if anything happens you can build anew. I recommend the following companies, which are among the strongest in the world.

General Accident, Fire and Life Assurance Corporation, of Perth, Scotland

National Fire Insurance Co., Hartford, Conn.

Hartford Fire Insurance Co., Hartford, Conn.

Canadian Fire Insurance Co., Toronto, Ont.

61,000 Loss of Bakery Fire.

Discovery, Jan. 28.—Last night about 10.00 p.m. the Methodist church here caught fire through an explosion of coal oil and burned rapidly down, leaving the remains of the fire destroyed.

The building is a total loss and the value of the contents is estimated at \$61,000.

There was a prayer meeting scheduled in the church and the service was interrupted by the fire.

The church was a fine building and the loss is a great one.

DON'T TAKE CHANCES

An error heated stove a match carelessly dropped, or any one of a hundred different causes might start a fire that would clean up every building you own! And a fire never gives warning. It might come to murther.

BE PREPARED
by insuring in a good company. Then, if anything happens you can build anew. I recommend the following companies, which are away the strongest in the world:
General Accident, Fire and Life Assurance Corporation, of Perth, Scotland
National Fire Insurance Co., Hartford, Conn.
Hartford Fire Insurance Co.
Canadian Fire Insurance Co.

FIRE INSURANCE
Usually from an oversight or want of thought, you have put off insuring, or placing additional insurance, to adequately protect yourself against loss by fire. Now.
Why Take Chances?
The cost is small. Ask no agent if. Your inquiries are invited and imply no obligation. Especially attract attention to small or large risks. Let me assure you of trouble and adequate insurance. Represented for the following companies:
Phoenix Fire Ins. Co. of Liverpool, Eng. Insurance Company of North America, Head Office, Philadelphia, Pa. Commercial Union Assurance Co. of London, Eng. Canadian Fire Insurance Co. of Montreal, Que. covers all accidents and sickness, and is controlled by the General Accident Fire and Life Assurance Corporation of Perth, Scotland.
Have you ever thought of taking out accident and sickness insurance? If not, why not?

HOW OLIVER STARTED.

The Edmonton Bulletin has the following of a Telegrapher's idea. The story of how Frank Trickey began to bring into this province the goods of the United States and Canada, and how he came to be known as "The Oldest Man in the West," is a story of the life of a man who has been in the business of selling goods for over 40 years. He is now 70 years old, and has been in the business for 40 years. He is now 70 years old, and has been in the business for 40 years. He is now 70 years old, and has been in the business for 40 years.

What about the wild storm last Friday? Wasn't it rough? Tom Harris on the Nelsons article must thought as he sat and watched the flames whistled by it consumed his house and all its contents.

A house was given in the hall last Friday night by the M. W. A. which proved to be a great success. Agood crowd attended, the house sold very much indeed, which followed was very much indeed.

The biggest of these contained 1,000 head, and it took fifty days to drive these cattle from Ashcroft—six hundred miles. The contractors generally receive an average of two pounds of fresh meat per day. There were 1,000 head in the Prince Rupert, and about 2,000 on the coast of the line.

There's some talk at Water Berlin, says Gumbel, and adds the well-known Maryland politician. Berlin, says Gumbel, is a "strong, powerful, unshakable" man. "I think he is like some of the old men of whom he belongs. I have known only a few and the Scotch girl to marry who said, 'I'll marry you, but a bit o' coming home.'"

Several carloads of implements have arrived, and the agencies Messrs. Grant, Ellwood and are well stocked up and ready to business for their respective fields.

To make potato croquette balls three or four smelt them through a wire sieve with a wooden end of butter, the yolk of an egg, onion and salt. Whip the white of an egg to a stiff half of it. Then form into smelt balls, dip in flour and breadcrumbs. Fry in deep fat in oil; drain on paper by the fire.

Lines of My Native Village

(in a Lamented Tone)

Oh, Lament, sweet village of the plain
That, from the stress of life has been
Laid happy, glad and in freedom

With all due pardon 'till the post
And to the order to take up the
Of the dead the power of the
To shed the burden of the heart

For who can want to stand upon the
bridge
That spans the earth's flowing stream
And watch
Camest his lips down and up

While with the grass upon the
flood
In the distance the morning
dawn
As then to meet the latest step

Dearest daughter of my, and then
the dawn
To cross the busy street and up the
dune

Of the L. M. and evening
the crowd
The congregated about the welcome
avenue

Be it a winter, or in summer
heat
For it would mortal with his, more
than this

It tells beyond my comprehension
And
To listen, and I give, to him
the job of mortal and immortal

The latest price, and many, many

OPPOSITE C.P.R. DEPOT.
A WESTERN FARMER.

Mr. C. E. Barritt, proprietor of the new lively stable, has just received a large consignment of horses and ponies, and is now offering them for sale at very low prices. The horses are of various breeds, including Arabians, Thoroughbreds, and Standardbreds. They are all well-bred and healthy, and are suitable for any purpose. The prices are so low that they are a real bargain for anyone interested in horses.

Mr. Barritt also has a large stock of harnesses and saddles, and is a expert in fitting and repairing them. He is also a expert in the care and training of horses, and is willing to give advice to anyone who is interested in the subject. He is a very friendly and helpful man, and is always willing to go the extra mile for his customers.

Mr. Barritt's stable is located at the Railway Station, opposite the C.P.R. Depot. It is a very convenient location for anyone who is interested in horses. The stable is well-kept and clean, and the horses are all well-cared for. Mr. Barritt is a very experienced horseman, and is always willing to give advice to anyone who is interested in the subject.

STOOD in the works at m...

A New Jersey man finds the job of a sugar sorter at a paper mill a most responsible position. His wages are only six dollars a week, but in one week he has cleared \$1,000 from rain alone which he found concealed among the old rags and waste wads lying under his rake. A few days ago he picked up an old stocking which contained two diamonds worth \$500 each and on the same day he came across a large emerald and a ruby tied up in a handkerchief.

BASHAW BRIEFS

A meeting of the board of trade was held on the evening of the 6th inst. There was a good attendance, and important business was transacted fairly to satisfaction, telephone service, etc.

Notwithstanding the bad roads farmers from different directions are in lively endeavor from day to day.

Mr. and Mrs. Philip Ney were in town today, also Theodore Kay.

Miss Francis Chatterton spent an evening this week with her friends at the post office.

Miss Moore and Miss Cooper are continuing roundabout work here this week. They are leaving fairly revived.

NEVIS NUGGETS

Mr. H. A. Anderson was a visitor in Stettin last Thursday.

Many folks from here took in the Johnsons' sale on the 7th inst.

Clark & Carroll are now handling posts to suit the market.

Frank Kirkman has been appointed commissioner for taking affidavits in and for the province of Alberta.

Miss Wilson spent the week-end visiting in town.

Mr. and Mrs. Malin were visitors at Mr. and Mrs. Lyne's last Sunday.

How about our village blacksmith? Who wants a good one?

The Lord and family were visitors at Mrs. Jackson's on Monday.

Joe is now working on the C.N.R. bridge work.

SOUTH BUFFALO LAKE

Miss J. Macdonald has just been under an operation in Calgary is now recovering. Mrs. T. W. Burnett who accompanied her there returned home on Saturday.

Miss E. Wilson spent Sunday visiting friends in Alberta.

Mr. and Mrs. R. E. Kay and family spent Sunday at the home of Mr. and Mrs. M. A. Brown.

Karl Totol made a business trip to Edmonton.

DOINGS AT LANSDOWN

New Church will be opened April 30.

Work on the new Presbyterian church building has been carried on during the past few weeks, so that the building may be ready for occupancy. The Rev. Mr. Macdonald, of the Home Mission Society, will conduct the opening service on April 30th, at 11 o'clock in the morning. The church is to be a fine addition to the town, and will give a welcome to the members of the church, and to the community in which they live.

DROWNED IN THE RED DEER RIVER

Philip Bourgeois swept away
in Sight of Half a Hundred
Witnesses.

TWO OTHER MEN DROWNED

His Son Also Lost in The Flood

While feeding the Red Deer river on Monday afternoon about two o'clock with a basket of eight live fish Philip Bourgeois, a young Frenchman employed in F. H. Johnson, meat contractor was swept away in the current and drowned. Bourgeois, in company with his brother and sister, had started for Alix to deliver a basket of fish to the hotel. They were on the river bank when the ice broke up and the water rushed down the river. The water was so high that it was impossible for them to get up the bank. They were swept away and drowned. The water was so high that it was impossible for them to get up the bank. They were swept away and drowned.

Almost at the same time as they started across a big jam up the river gate was hit, and the water rushed down the river. The water was so high that it was impossible for them to get up the bank. They were swept away and drowned.

There are a number of things that we can do to help our students learn. First, we can make sure that we are using a variety of assessment methods. This means that we should not rely solely on tests and quizzes. We should also use other methods such as portfolios, projects, and self-reflections. Second, we can make sure that we are providing our students with a variety of learning experiences. This means that we should not just teach facts and figures. We should also teach our students how to think critically and how to solve problems. Third, we can make sure that we are providing our students with a safe and supportive learning environment. This means that we should be respectful of our students' individual differences and should encourage them to express their own ideas and opinions. Finally, we can make sure that we are providing our students with a variety of resources and materials. This means that we should not just rely on textbooks. We should also use other resources such as articles, videos, and websites.

made, a double multiple drive is used with the spindle so that every hole required in each cylinder may be drilled in two settings at once. This facility of pleasure cars will be confined to two classes of plants—those for the construction of high-powered cars and the others deriving their energy in

the product of the first, long-planned machine. But, in addition, these two new engineering projects will be the first to be completed in the new manufacturing plant. It is the company's belief that it is probable that some difficulties in these new machines will be made in regard to the manufacture of the class of motor cars that will be made in the plant. It is believed that the change of process

ing the most efficient work on parts of a certain design or size, the variety of styles and models of cars that can be constructed economically may be said

to decrease with the increase of depth in parts production.

This is all, of course, a matter of

On this machine, some pieces may pass through the hands of at least a dozen men, and where the amount of work required on each of the thousand and one separate parts of a weapon is so great, it is not surprising that a great number of skilled artisans of various classes are required.

The extent to which quantity production has found its way into every branch of the manufacture of a modern auto mobile.

LAMBERTON LEAPERS.

A glum has been cast on the neighborhood by the death of Mr. E. P. Berger. He was born in England on May 17th, 1862, at the age of 24 he moved to the States, where he lived thirteen years in Dakota, afterwards coming to this country, where he has resided for the last eleven years. He died on the 1st inst. on Friday morning, 28th April. He was well liked by all who knew him, and leaves behind a large circle of friends who sympathize with his widow and five daughters in their bereavement.

Law (Marty) has been on the sick list, but we hope to see that he is now back at his old station.

Great are the sorrows which some people will make in the case of sorrow and grief. We all know that the Poles are good for hell-ribbons, but it struck some advertisements apart here last Sunday to tell their powers to climb down a fairly creek back. By putting a curtain of passengers, he altered the machine to the top of the bank, or neglected to stop at some other place, the result is the same injury, and then realizing that the results of the experiment would be equally ruinous if it were made unnecessarily instead of in private persons, he jumped. With great presence of mind Jim Kallie reached the corner, wisely and straightened the corner of the machine, at the same time applying the brakes, thus averting what might have been a very serious accident. The car slid down the bank and sustained some damage but none of the passengers were hurt.

The baseball team suffered defeat at the hands of the Oshawa Senators last to the tune of 8 to 11. We hope for better luck next time.

The Vennas gave a dance here on Friday, 27th April. It was very busy and attended, but everyone there reports having a good time. The orchestra was composed of Miss Edg, organ.

Miss E. Wilson was the guest of Mrs. Smith-Bartholomew.

R. W. Barrett went to Edmonton on business as delegate for the Woodmen Lodge.

Mr. Howler arrived from Lethbridge Monday to meet with her two sons, who have been here for a short time.

C. H. Kettell took a load of hay and some cattle to Alta on Monday.

Tomatoe for sale.

Miss Wilson, speaker for Easter holidays in Calgary, visiting with her friend, Mrs. C. Stricker.

Miss J. Macdonald who has been under the doctor's care in Calgary, returned home Thursday.

Harry Bell took a load of hay to Alta Friday.

Mr. and Mrs. B. Barrett spent Sunday at the home of Mr. and Mrs. Macdonald.

After a most successful tour through Scotland, Newfoundland and the Maritime Provinces, and the United States of America, Miss Macdonald and her associates will give one of their instructive and entertaining concerts at Alta on Thursday next. No recital that has visited Canada, has ever been so popular with the common people as this one. It is a real treat for her native country and its ministry she infuses into it, giving a spirit and fervor which makes a deep and lasting impression upon those who hear her. It is not only the fact that she is a vocalist of rare ability, and that she possesses a dramatic aptitude of great power and brilliancy of tone, that makes her so successful. She is also above everything, a true expression of the inner spirit and character of the music she sings. With her burning forth with unswerving power and expression in the martial strains of the Scottish march songs, she kindles in the hearts of her hearers a fire of patriotism. In the simple ballads, those folk songs of which the people have heard their mothers sing and which contain the memories of the childhood and the country they have left behind. It is in this which Miss Macdonald's singing shines out so prominently.

In Mr. Craighead Sherry the Co. presents a harvest of outstanding ability. Western audiences.

ATTEMPTED MURDER

Chief of Police in Probable Future

Wounded by Road-Knife

Red Deer, June 2.—George Bell,

chief of police here, was probably

fatally, about here last night by a

road-knife man who was discovered

in the act of holding up two

citizens at the point of a gun.

The chief came around the street

corner just at the opportune mo-

ment as the robber was holding a

cocked revolver at the faces of

J. H. Mansie, a tailor, and John

Thorn, a printer. Although it was

dark, Bell did not think it was so

late as he thought it was a hood-

lum. A pike being played by im-

pression towards the man with

the gun, Bell stepped in, improv-

ing upon him that the job was

too hot for him, and was greeted

with a couple of shots. The first one

hit him fast in the side of the

back, and the second, which was

dropped like a bag. As he lay

on the ground, a second shot was

fired, passing close to his head, and taking

a piece out of his leg. As he lay

on the ground, a second shot was

fired, passing close to his head, and

taking a piece out of his leg.

The chief was carried to the hos-

pital, where after a consultation

by four doctors a delicate opera-

tion was performed, but it is thought

that the chances for his recovery

are exceedingly slight.

Officers early Friday morning

traced to some extent the

suspects, and were joined by a

detachment of the Boy Scouts, and

a party of the latter discovered

their man about eight miles

from here, in a dilapidated house

near the highway. His name is

John, and he is not

known around the town, having

been working in the town since

late in April. He was given a

testimony before the jury, and

the jury found him guilty of

murder. He was sentenced to

life imprisonment. He was

longly passed over him, breaking

him considerably. Mr. Bell

jumped from the back of the

truggy, containing a spinous sack.

After this, Bell, had hold of

one line, and attempted to turn

the horse into the fence, but they

travelling, longly on about that it

was overpowered, with the girl

leaving it, striking her on the back

of the head. She was picked up

unconscious, with a severe cut

across the back of the skull, and

was brought back to the hospital.

The Grahams drove the rounds,

after which she was removed to the

home of H. W. Paumotu, where

she and her mother remained last

Sunday.

The body was removed to land-

ing road.

San,

I can imagine that at about the fourth quarter the ladies of clothes on the floor will be all over, and the corpse-lake will be hastily deserted for a time, and she will probably return in the acquisition when she gets good and ready. Many of the questions she will in many cases not be able to answer in the absence of her husband. For instance, when asked what is the value of their home, it is probably

something she never thought of before. She was furnished with a grained steel of the quality to be used as a wrench or as before the metal of the wrench may be expected to roll, so that the answer would be ready, then saving much time and annoyance for all parties. For it must be annoying for a woman the size of the figure to be on the stove cooking and cleaning, or to be looking in the oven, in order to stop her experiments of these matters on a moment's notice and sit down and answer off-hand those hundred queries which are the constant of a busy life. I think before the present time was completed, and the manufacturers are going to warn that this article

The results of the census will be made known by something like the monthly publication of the statistics of the country. It will make known the number of people in the Dominion, the number of each of the provinces, the number in every city, town, village and country. It will give the population throughout the country. But that is not all. It will tell me how many Canadians have ever been told before. It will say how many native-born Canadians there are here; how many have come from the various parts of the empire; how many Europeans are working here; and how many have left the States and thrown in their lot with those living on the northern part of the continent.

Then the census will show the wealth of the country. It will give accurate figures showing how large a percentage of the population is engaged in farming; how many work in manufacturing; how many earn their living in steam. It will show the professional class, and will show the number of cattle in the Dominion.

Indeed, the facts obtained will be more extensive than this. They will not only give an idea of the number of head of cattle, but will estimate their value. The value of the farm land under cultivation will be shown, and the estimated value of the stock and its value will be given. The report will say on each of the principal subjects.

of the country in dollars and cents. It will show what is the total output of the factories; how much raw material is used in each, and whence this raw material comes.

When in doubt on any subject all that will be necessary will be to consult the census report.

There are twelve schedules setting forth the facts which must be obtained by the enumerators who will work under the various commissioners. These have to be carefully studied, the commissioners learning what questions are to be asked of country residents and what of those living in the

Some questions are common to all the people. All over ten years will have to give their occupation. All children are going to school, that will be entered. If they are employed in some concern, that, too, will be noted.

loved. Mark one with a question mark with regard to his or her education, and each student over sixteen years of age will be asked to tell how much schooling in scientific institute or college cost. Then every person will be asked what language or languages he or she speaks.

The schedule relating to "mortality, disability, and compensation" will deal with the sickness of the one seen.

timed, and with the illness with which his or her parents suffered. This part of the exam will provide the nature of a medical examination for the insurance.

For the agricultural districts, school-
masters have been prepared which will
show the style of land owned, the size
of the farms cultivated, the number
of acres improved and unimproved
and the number of acres allowed to lie

Then the number and size of the firm buildings, the terms and the conditions will be made of the same. The end of the scene over the road. The number of the retail on the same will be taken by class, while in the fruit and vegetable districts it will be asked how many trees are bearing, and how many

...momentary relief between acts, while it is the producer of the break goes out for refreshment. The audience is left to mull over what it has just seen, and to add a "bouquet" which penetrates into the next scene. The audience, however, happens to be a friend and (feels that) the producer is not entertaining, the position driven to the expedient of holding his tightly to her nose in the endeavour to avoid the danger of a "break" in the continuity of favour, and it is really his fault. If the truth were known, the audience would be making himself personally offensive to his friend.

What we have to object to in this "Theatre breasted" is not the "break" but the "break" of the sense of suspense, but merely that they are disgusting smells forced upon them. In everybody objects to having a sewer air-blasted about them.

It is against this atmosphere that the theatre has been formed and each member pleads a grievance before attending the theatre. It is to let him know that he is not alone. It is our first experiment, if this is to be the case, and all men come to adore our insupportable pet stinks. The stink, unlike the stink of a police station, is never gone.

IMPORTANT NEW DIVISIONAL CENTRE ON THE CANADIAN PACIFIC RAILWAY

Offers Absolutely The Most Attractive Business and Investment Combination of the Year in Western Canada.

CORONATION is located on Section 18-30-11 W. 4, about twenty miles east of Castor, the present terminus of the Lacombe Branch.

RAILWAY SURVEYS have been made for a branch from this point to Edgemoor, on the Watkinson Branch, which will ultimately connect with the bedrock Edmonton-Cut-off, thus making Coronation a most important link in the great railway route from St. Paul to Edmonton, via Moose Jaw, Regina and Winnipeg. There are also in course for a branch from Coronation to the Watkinson branch near Castor.

THIS IS A BUSINESS ANNOUNCEMENT TO BUSINESS MEN

You know the progress made at Coronation, the best divisional point west, and you are sure you did not intend them.

— I'm not a doctor, but I can tell you that you're not alone. The fact that you're asking these questions shows that you're a very intelligent person. And that's a good thing. Because the more you know about your health, the better you can take care of it. So let's talk about some of the things you mentioned. First, you said you were having trouble sleeping. That's a very common problem, and there are many reasons why it might be happening. It could be stress, or it could be a change in your routine. Or it could be a sign of a more serious condition. So it's important to talk to your doctor about this. They can help you figure out what's going on and what you can do to get back to sleep. Next, you mentioned that you were feeling tired all the time. That's another common symptom, and it can be caused by a variety of things. It could be a lack of sleep, or it could be a sign of a more serious condition. So it's important to talk to your doctor about this as well. They can help you figure out what's going on and what you can do to get back to your normal energy level. Finally, you mentioned that you were feeling nervous and anxious. That's a very common feeling, and it can be caused by a variety of things. It could be stress, or it could be a sign of a more serious condition. So it's important to talk to your doctor about this as well. They can help you figure out what's going on and what you can do to get back to your normal state of mind. So, to summarize, it's very important to talk to your doctor about all of these symptoms. They can help you figure out what's going on and what you can do to get back to your normal state of health. And remember, you're not alone. There are many other people out there who are experiencing the same things, and they're all looking for answers. So let's keep talking and keep learning. Because the more we know about our health, the better we can take care of it. And that's a good thing for everyone.

MURDER NEAR CASTOR

Fred Larson, a Swede, charged to killing George Bennett with an axe.

A terrible tragedy was on in the Hamilton Lake district, thirty miles south of Castor, on Monday morning, when Norman Merritt, a householder, was brutally murdered by Fred Larson, a Swede who had slept with him the night before.

Neighbourly friends found Merritt dead in his bed with a fracture of the skull and wounds on the face and neck, which had been administered with an axe. Coroner Lyons and Constable (Twenty) were called and left for the scene at once. Napier, appointed to Larson and he was taken in charge by Constable (Twenty) of the R.N.W.M.P.

Larson later made a full confession of the crime to those officers but gave no motive for the crime.

CALGARY TO EDMONTON

Aviator Will Attempt Long Distance Flight

Calgary, Aug. 18.—A flight from Calgary to Edmonton is a certain type biplane with Gnome motor in an effort to break the North American one-stop distance record is the first that will be attempted by Didier Masson, former mechanic and flyer partner of Paulhan, who made the first flight across the English channel, and who will be in Calgary in the near future.

Masson has just completed a tour of Hamilton, where he finished first in a second prize aeroplane, and in Hamilton flew from the Scheldt military barracks to Diamond Head, a distance of 25 miles in 19 minutes. Just previous to this he flew from Los Angeles to San Bernardino, in California, carrying mail and newspapers and delivering them at the end of his flight. Masson will fly under the auspices of Messrs. Tenly and Hayward of Hamilton, and Mr. Hayward is already in the city making preparations for the successful carrying out of the flight, which will be the first aeroplane flight yet tried in Canada.

PROVINCIAL ELECTIONS PROBABLE ON OCTOBER 20

Premier does not deny probability of elections at an early date, but states that they will not be called in September.

A rumor which gained circulation in Edmonton on Saturday last and which was published by the Journal stated that it was the intention of the provincial government to hold an election on September 23, the date of the Dominion election. When asked as to the truth of the report on Saturday afternoon Premier Stinson denied that a provincial election would be held in September, but did not deny that there were strong probabilities that such would happen at an early date. Another and more persistent rumor which emanates from the camp of the Liberal leaders (Oliver Stinson branch) says that a provincial election will be called about a month after the Dominion election, namely October 20, as the government has been standing on uncertain ground, losing a large number of its members are virtually in opposition to the Premier, and the others are still smouldering who need only a little breeze to blow up as a new party in the province should the Minister. From the time of the split in the Liberal ranks, eighteen months ago, the government has been standing on uncertain ground, losing a large number of its members are virtually in opposition to the Premier, and the others are still smouldering who need only a little breeze to blow up as a new party in the province should the Minister. GRAND TRUNK PACIFIC DEPOT NOW BUILDING

Work on the Second Railway Depot begun last week. C. E. R. is preparing to build at an early date.

The contractors in charge of the building of the Grand Trunk Pacific railway depot have arrived last week and begun work. The depot grounds occupy the whole of C.P.R. original terminal blocks 29 and 30 and the depot will be 130 rods north of the C.P.R. and close to the lake. The concrete work for the foundation of the new building was completed Wednesday, at the lumber for the superstructure is now being placed on the ground. The passenger station will be built on the same place as other stations along the G.T.P., and will be the same size as those at Telford and Canmore.

It was not thought that the company had intended to build here (the lake), but that they have been told it is altogether likely that they may commence their service to this point upon the completion of the depot. Such a decision will certainly be welcomed by the townspeople, as the new line gives a much shorter and more direct route to Edmonton, and will receive a large amount of business from the north.

The Canadian Northern Railway is also preparing for the erection of their depot, which will be 110 rods north of the Grand Trunk, but arrangements have been made to build a road direct to it from the centre of the town, and as the new line will pass alongside the G.T.P. station, it will draw a lot of traffic; if not the greater part of the freight and passenger traffic to the town.

Mr. A. M. Puller, manager of the C. W. Edworthy Realty Co. of Vancouver, who has been making an immense amount of Alix realty in that city, arrived here on Wednesday to look over the town personally, and to obtain first-hand information for use in advertising.

Although Mr. Puller's company has been selling Alix property for several weeks, this is his first visit to the town, and he expressed himself as more than pleased with what he has found. The cause of his visit was a note of warning to his firm from the Board of Trade that the statements appearing in their advertising in Vancouver papers were slightly misleading in one or two instances, and as the Alix Board of Trade was cited as a reference he was called to correct his advertising. After seeing the town for himself, Mr. Puller stated that it is the future of his firm would make no further statements that would not bear the closest inspection and warrant the full endorsement of the Board of Trade, and, like all others who have visited the town, he declares that "the truth is more than enough." Mr. Puller's confidence in the town is further enhanced by his own personal investment in a good sized block of town property, and the color of his money looks good.

100,000 DROWNED

Yang Tse Kiang Overflow, Car-
rying Death and Destruction

Hankow (Chi, Sept. 4).—The
American mission at Wei He has
received a report that 100,000 per-
sons have been drowned by the
floods caused by the water rising
over the banks of the Yang Tse
Kiang.

The floods are the worst that
have been experienced in many
years. It is estimated that over
50 per cent of the crops have been
destroyed. The province of Anh
Wei is nearly all under water, crops
have been destroyed and
houses have been swept away from
their foundations.

Thousands were drowned in
their homes without a chance of
escape. Others tried to reach the
high ground only to be cut off by
the waters, which with incredible
swiftness, covered the ground
sweeping everything before them
in many cases persons who tried
to escape on horseback were over-
taken and drowned. All the year
the valley of the Yang Tse Kiang
has been filled with water.

The rainfall has been greater
than ever before in the history of
this country. The worst was
thought to be over and that many
people driven from their homes
were returned only to meet their
death. From Shanghai, 100 miles
up the river all is desolation.

ELECTRIC LIGHT AND POWER FOR ALIX

Company Has Purchased Site and Placed Order for Machinery.
Lights Will Be Turned on About November 15th.

The prospects for electric light and power for Alix were
secured this week when the company financing the project secured
a site from F. Mannel, near the stock yards, where they will
commence building operations at once. The council Monday
night granted permission for the erection of poles and wires al-
ong the streets of the town, and it is expected that the lights
will be turned on by November 15th.

Mr. Rice publicly announced that the success of the
business and residential schemes for approval of the enterprise
was entirely satisfactory, and he notified the people interested
with him and the work will be proceeded with at once.

The machinery consists of two powerful gas engines under
special construction and a Westinghouse generator with a capacity
of 1,200 lights with additional power for manufacturing
and heavy street lighting, and minor electrical affairs including
a giant storage system whereby the surplus power is stored for
emergency use.

The town will be in all likelihood now secured large street lights,
and it is stated that private interests will place are lights at
points approaching the town from the north and east. In view
of the fact that several small manufacturers who have started
at Alix are now in the process of erecting buildings, to them,
the board of trade is looking for an industrial movement to take
place as a consequence that will add the growth of the town
city per cent.

The Heed Electrical Company of Calgary, have the con-
tract for furnishing the machinery and installing the plant.

M. CLARK SINGS HIS SWAN SONG HERE.

Candidate of the Machine Liberals Fails to Answer His Constituents
or the Arguments of Conservative Candidate Except by
Poor Attempt at Ridicule and Sarcasm.

For the first time in 3 years the election of this part of the fed-
eral riding of Red Deer had an opportunity of testing and hearing our
most member in the Dominion Parliament, Dr. Michael Clark, who
held a public meeting here on Tuesday evening.

G. H. Thorne, who acted in the capacity of chairman, introduced
as the first speaker of the evening Mr. W. F. Puffer, M. L. A., who
spoke for thirty-five minutes, confining himself for the most part to
an attempt to prove that Dr. Clark was a representative, had rendered

particular claim to have a grievance against Mr. Clark in that he had
not paid sufficient attention to his constituents, but that such claims
were without foundation. It was not surprising, however, that the
audience gave expression to their sense of the humor when Mr.
Puffer attempted to point out how Mr. Clark had been benefited up
on his constituents by making speeches in all parts of the Dominion
in the interests of the Liberal party during each session. Mr.
Puffer had evidently forgotten that part of Dr. Clark's speech in
Lacombe on Wednesday evening in which he (Clark) had endeavored to
reach the farmer's hearts by telling them the harrowing tale of how
hard he had been working during the session of Parliament in per-
forming settlement duties on his homestead. But the audience was given
enough of the humorous without the revival of that particularly funny
year.

Perhaps the most startling statement of Mr. Puffer, however,
was in introducing his remarks on the reciprocity question, when he
attempted to make his hearers believe that "this question (reciprocity)
is more important to us than the merits or demerits of
our candidate as a representative."

Following Mr. Puffer's speech the chairman very properly
introduced Dr. Clark as our member of the Dominion Parliament.
Before taking up the burning question of the election, Dr. Clark, re-
sponding to Mr. Clark's remarks, had been called to an article in the
Free Press (Alix) referring a question for his reply. The question
"Will Mr. Clark kindly explain to his constituents how by what
method of reasoning he can justify his action in expediting the ap-
pointment of the C. P. R. for an extension of time in the completion of the
Lacombe-Moose Jaw line, direct opposition to the expressed
wishes of the entire northern part of this riding?" Mr. Clark spent a
valuable half-hour in holding back the question, during the course

TATE & PAXTON

By H. A. Fuestermeier

The "Shinno" empire is the greatest of all in the world, in the minds of many Europeans on the East.

It is like the deuker is a hamorous, very ancient "Shinno" folk, suggested by the name of "Hannak" in his new "Rosters of the East."

A woman was captured by a tiger in the forest of the East, but she knew of the tiger for the tiger.

The tiger committed to be led to show the deuker was dead. When the deuker saw them coming he was frighted and he was killed by the tiger.

He was in his masterful voice, saying, "Wheeler, you need to bring me two goats. Why only one today?"

All methods can put away sadness regarding those suffering children when they have been "lost" When I am able to give relief to those who are sure sad hunting

From the perspective of the programme of the service it is a fact that at those meetings where serious matters are discussed, the guests are not so much better pleased with the entertainment. At most of the most recent days, the drivers are before required some years before that do not as generally adopted; but it is because such a well established one which has been made out of place. It is used as essential to the attractiveness of the scene for the best and proper as well as the most important part of the performance. It seems like a small detail, but it tends to make a good one of the most of the success of the running meetings—the bright lights and usually uniformed attendants filled with the same did a large share in making the sport.

PROPERTY—The property consists of 3,440 acres coal rights and a conservative estimate, by a competent engineer, bases the total output at over 40,000,000 tons. It is situated on the Red Deer River, 25 miles east of Red Deer and 7 miles south of Altn.

QUALITY OF THE COAL—It is of the best quality of Lignite, a prime domestic and stationary steam and furnace coal.

TRANSPORTATION—The company will ship over the G. T. P. and C. P. R. railways from 300 to 500 tons per day, on or about the first of November.

TO THE INVESTING PUBLIC—Owing to the general coal strike creating a serious coal shortage this winter, the Company cannot fail to dispose of its full output, which will run as high as 1,000 tons per day. If necessary, and the prices will be higher than any previous year in the history of the country. A very conservative estimate by the Directors places the dividends at 50 per cent. next June. The price of the stock is sure to advance in consequence. Applications for 25 shares up will be accepted in order not to exclude the small investor.

TO SHAREHOLDERS—Preference of delivery of coal will be given by the Company to its shareholders. This advantage is likely to be worth something before the winter is over. The Company's stock is being rapidly subscribed. We advise intending purchasers to act once. The Company has a field force already on the ground, preparing for shipment of coal on or about November 1st.

Lacombe Baggage-Master Dies From Injuries.

Robert G. McLeod, the station baggage-master at Lacombe, who was terribly injured by the bursting of a trunk, expired in the hospital here, Sunday morning. He was 32 years of age, married, and leaves a widow and three children.

McLeod was employed as baggage-master at Lacombe for the past three years, and was well known to the people of the town. He was a native of Scotland, and had been in the baggage-master's position for some time before he was injured. He was on duty at the station on Sunday morning, and was in the act of packing a trunk when it burst, and he was thrown to the ground. He was taken to the hospital, and died there on Sunday morning.

His death was a great loss to the community, and his family is now in a state of mourning. The funeral will be held on Monday morning at 10 o'clock, and will be conducted by the Rev. J. H. Markle.

The baggage-master's position is a dangerous one, and it is hoped that the railway company will take steps to prevent such accidents in the future.

McLeod was a very kind and helpful man, and he was well liked by all who knew him. His death is a great tragedy, and we all sympathize with his family.

The railway company is now investigating the cause of the accident, and it is hoped that they will be able to prevent such accidents in the future.

Many geese have arrived within the last few days. Our local sportsmen are expected to have a successful season. We are now getting a few flocks of this particular bird. Nothing looks better than these beautiful specimens of the geese who enjoy their autumnal plumage.

There is an abundance of geese in the district and we do not anticipate any of the parties being disappointed with their bags.

MACHINE'S WRESTLING MATCH

Mr. John Mackie was one of the principals in a wrestling bout conducted in Puffer's stock yards a few days since. All credit is due Mr. Mackie for his good showing when the scales gave the weight of his opponent at 125 lbs. downed. Can any other district produce better holders than this when not still fed.

BANQUETTERS FINED

Farwell to Constable Curry

A number of the citizens of the south-western district, Thursday evening, November 2nd, with Constable Curry, R.N.W.M.P., in the front of last night. The quality of the speeches and vocal exercises during their hour had indeed made difficult to assume champagne.

With the good things prepared in mine heat and comfort, no one could complain anything other than a good time was impossible.

The citizens had previously invited a small band on the occasion of \$25.00 which was presented to Mr. Curry as a small token of appreciation in which he is held.

The good feeling existing between the Constable and the citizens proving that a good officer performing the duties of his office with fairness and impartiality is respected for being consistent with his convictions.

The Press joins with the citizens in all good wishes toward the popular officer.

GOOD FELLOWSHIP

IS APPROPRIATED

Measrs J. W. Sims, P. C. T. and Mr. and Mrs. J. W. Sims, who are shortly to be married, are having a small party on Thursday evening, November 2nd, at the home of Mr. Sims, 1000 Broadway, to which all are invited.

The banquet room, with the company of the National Anthem.

Mr. W. L. Pettit, capable of the heart as that of a true man, is the only one to the district.

The Toasts were presented and replied to in a satisfactory manner. Each member so he replied to his position. The thoughts expressed intermingled with the rosy wit of the speakers holding the audience in a state of high interest.

TOASTS

"The King" replied by Edward Parley.
"Our life" replied by R. B. Beck.

REVERSES FOR THE GOVERNMENT

THE BYE ELECTIONS RESULT IN CONSERVATIVE WINS IN EVERY SEAT CONTESTED

CALGARY	T. M. Tweedie	2708

LETHBRIDGE	Dr. Stewart	999
	Mr. Sheppard	117
Majority for Stewart		182

At Pincher Creek John McKenna, Conservative leads by 184 with 6 polls to bear from. His election is conceded.

The fact of the great turn over in the Federal Government had great pressure on the results of the local elections. Although Premier Diefenbaker and his followers worked with might and main to hold the three government seats, it was to no avail, everyone going Conservative.

replied to by R. Stander.
The Order

The toast to the best and with general approval. Much had been presented in very short notice an excellent light comedy dinner with goose, turkey and all the essentials that go to making a good dinner. The speaker, in his short notice, in which he was to be congratulated, as all of his work with pleasure to his hospital.

The banquet room, with the company of the National Anthem.

ACCIDENT ON C & E LINE

Just before going to press we received word of an accident on the C & E Railway near Cardston. There has been a collision between two trains and we have no authentic report of this accident.

HORSE STOLEN

A valuable bay mare 8 years old, branded on the right shoulder the property of J. P. French, Esquire, was stolen from Frank Talbot's livery barn at Sunday Creek. The mare was last seen at the livery barn and we trust the R. N. W. M. P. will spare no effort to bring the culprit to justice.

HAUNTED LAKE BRIDGE MAY BE BUILT SOON

It is now possible that the much discussed bridge over Haunted Lake may be built. The government has required the position of the lake and stipulated that if the citizens of Alix did the grading on both sides of the approaches they would get up the bridge. The bridge, it is said, will be built at a cost of \$100,000. The government has agreed to defray the expense of grading was unsuccessful, only \$100,000 being raised. This work the subscription has been taken around and the required amount was specially named. Following a promise made by Mr. Puffer that the bridge would be erected this fall all of the town did its part. The bridge is to be built on the north side of the lake, in ready for use. Mr. Puffer has been in correspondence with the government and officials and the bridge is now in the hands of the government. It is now possible that the much discussed bridge over Haunted Lake may be built.

The Indian moustache is a somewhat varied affair—they are, with a few slender graceful hairs and a long tapering moustache. It is gray, a darker gray above and red, blue and black below the foot. The hairs of the long fat generally white tinged.

The moustache is a native of warm lands, and dense and bitter is cold water.

"The hotel public house is fast becoming notorious. Retreating from the bar, however, I saw a man get up as a woman looked at him, who burst into one of the night men, and ordered him to—

"Oh, Jack Penkith, what does it look? My husband's still in it!"

"A little longer, and you'll be in it," the house girl bit's spent every penny he was on."

"Which one is it?" I asked, squaring my back and appearing sympathetically.

"The Pig and Whistle."

"Then all right, go there as you know."

Jack, turning round, said his own words. "The Whistle" cried the woman, joyfully.

"There she's as we set out and sort, Jack, that best home, wasn't it?"

"May, ah, because promise that—"

Jack mad, desperately, "A large house, but I don't shift the bus."

It is easy for a judge to be a humorist. If you don't laugh at his jokes, he can send you to another place for contempt of court, and he can make use of his knowledge of this fact during the course of the alleged trial.

One of the judges was humorously addressing a witness—a witness, who had served the prison in the case.

"Come, now, my man," he said. "I don't like the bareness of the witness in the eye, and get ready to guffaw (though you don't be too shy). To serve the court we will ask you a few questions."

"How how?" laughed the Das and the clerk appreciatively resumed to ask
